

Acknowledgement of Fiduciary Duties and Responsibilities

As a member of the Authority's board of directors, I understand that I have a fiduciary obligation to perform my duties and responsibilities to the best of my abilities, in good faith and with proper diligence and care, consistent with the enabling statute, mission, and by-laws of the Authority and the laws of New York State. The requirements set forth in this acknowledgement are based on the provisions of New York State law, including but not limited to the Public Authorities Reform Act of 2009, Public Officers Law, and General Municipal Law. As a member of the board of directors:

I. Mission Statement

I have read and understand the mission of the Authority; and the mission is designed to achieve a public purpose on behalf of the State of New York. I further understand that my fiduciary duty to this Authority is derived from and governed by its mission.

I agree that I have an obligation to become knowledgeable about the mission, purpose, functions, responsibilities, and statutory duties of the Authority and, when I believe it necessary, to make reasonable inquiry of management and others with knowledge and expertise so as to inform my decisions.

II. Deliberation

I understand that my obligation is to act in the best interests of the Authority and the People of the State of New York whom the Authority serves.

I agree that I will exercise independent judgment on all matters before the board.

I understand that any interested party may comment on any matter or proposed resolution that comes before the board of directors consistent with the laws governing procurement policy and practice, be it the general public, an affected party, a party potentially impacted by such matter or an elected or appointed public official. However, I understand that the ultimate decision is mine and will be consistent with the mission of the Authority and my fiduciary duties as a member of the Authority's board of directors.

I will participate in training sessions, attend board and committee meetings, and engage fully in the board's and committee's decision-making process.

III. Confidentiality

I agree that I will not divulge confidential discussions and confidential matters that come before the board for consideration or action.

IV. Conflict of Interest

I agree to disclose to the board any conflicts, or the appearance of a conflict, of a personal, financial, ethical, or professional nature that could inhibit me from performing my duties in good faith and with due diligence and care.

I do not have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity or incur any obligation of any nature, which is in substantial conflict with the proper discharge of my duties in the public interest.

Authorities Budget Office Policy Guidance

No. 10-01

Date Issued: March 1, 2010

Supersedes: New

Subject: Acknowledgement of Fiduciary Duty

Statutory Citation: Public Authorities Law Section 2824(1)(h)

Provisions: Section 6(i) of Public Authorities Law, as amended by Chapter 506 of the Laws of 2009 ("The 2009 Public Authorities Reform Act" or "PARA"), requires the Authorities Budget Office (ABO) to develop and issue a written acknowledgement that all board members must execute as part of their duties and responsibilities under Section 2824 of Public Authorities Law. By signing this acknowledgement a board member is stating they understand their role and fiduciary responsibilities as well as their duty of loyalty and care to the organization and commitment to the authority's mission and the public interest.

Pursuant to PARA, every board member of a Public Authority is required to sign an acknowledgement of fiduciary duty at the time they take the oath of office. The effectiveness of the acknowledgement will be deemed applicable throughout the duration of such board member's term and/or for as long as such director continues to serve in such capacity. Board members appointed to their positions prior to the effectiveness of PARA and the implementation of this new requirement are required to execute an acknowledgement by May 1, 2010.

Authorities Budget Office Policy Guidance: The primary responsibility of a board member is to understand the mission and public purpose of the Authority and to act in the best interests of the Authority, its mission, and the public. The intent of this written acknowledgement is to re-affirm the importance of this duty to board members.

The ABO is directing all state and local public authorities to use the attached acknowledgement form to satisfy this statutory requirement. Public authorities are to maintain signed copies of the acknowledgement throughout the official term of each active board member. State and local authorities will also be expected to certify as part of the Annual Report submission that these statements were executed in accordance with Section 2824 of Public Authorities Law. The failure to execute this acknowledgment will be considered a failure to comply with the requirements of Public Authorities Law. The failure to act in accordance with the principles stated in this acknowledgment can be considered a breach of fiduciary duty and could result in a recommendation that the board member be sanctioned.

A board member is to sign a new acknowledgement document at the start of each new term to which the board member is appointed.
