RE: FREEDOM OF INFORMATION REQUEST
Incident on 6/26/13 of Daniel Calderon

Dear Ms. Murphy:

Under the Freedom of Information Act, I would request that you please provide to me the following:

Audio recording of Dan Calderon's call into dispatcher, Tim Elling, on the morning of 6/26/13 between 7:15 a.m. and 7:45 a.m.

Please call me on my cell phone 864-1203. We begin trial with Judge Dennis Ward on the morning of October 9, 2018 and it would be incredibly helpful if you could expedite the release of the audio tape.

I talked with dispatcher Elling and he said that this matter can be done expeditiously. I look forward to hearing from you.

Very truly yours,

DOLCE PANEPINTO/P.C.

Marc C. Panepinto
