To whom it may concern,

26th November 2018

On 9/20/18 the Erie county water authority cashed a check in the amount of \$2000 for a new water line hook up at address 2246 Shadagee Rd Eden NY 14057. On 11/21/18 the subcontractors came to install the water hook up at the street. The contractors informed me at this time that the water line was already hooked up and no work needed to be done. I write to you today to formally request a refund of the \$2000 as the blind water hook up was already installed.

Best Regards,

Ashley Acevedo
