Re: Water Infrastructure Improvement Act ("WIIA") Grant
Erie County Water Authority (the "Recipient")
WIIA Project No.: 18408
Execution of Grant Agreement

Dear Mr. Sahad:

In final preparation for the closing of the above-referenced WIIA grant, enclosed are copies of the following documents:

1. Two (2) execution copies of the **\$1,277,841.00** WIIA Grant Agreement, dated as of January 24, 2019 (the "Agreement"); and
2. One (1) execution copy of the Grant Disbursement Request Form, to be completed now only if the Recipient is requesting an immediate disbursement at the time of closing.

Please properly execute each of the two (2) originals of the Agreement and return them to my attention at EFC no later than the close of business on January 17, 2019.

The Grant Disbursement Request Form must be submitted with each request for the disbursement of monies under the Agreement. Therefore, you should retain an original, blank photocopy of this form, a copy of which is included at the back of the Agreement, for its use in making future requests for disbursements. If you are requesting immediate disbursement and a satisfactory disbursement request is submitted by January 24, 2019, the New York State Environmental Facilities Corporation ("EFC") will process the Recipient's first request for a disbursement and release funds on January 31, 2019.

The Recipient should use the work sheet on the last page of the Grant Disbursement Request Form to determine the amount of the first disbursement it is requesting. Please be advised that the Agreement requires that documentation evidencing project costs be provided for each disbursement request made by the Recipient. The Recipient must provide this documentation with each disbursement request so that EFC may disburse grant proceeds in an expeditious manner.

Disbursement of grant proceeds to cover costs relating to construction may be contingent upon the Recipient's compliance with certain supplemental provisions and fulfillment of special project condition(s), as set forth in Exhibits C and D to the Grant Agreement. The Recipient should take the necessary steps to comply with and/or fulfill any such provisions and condition(s) in a timely manner so as not to interfere with or delay the disbursement of grant proceeds relating to construction costs.

Please also note that, pursuant to Section 3.1 of the Agreement, 25% of the total amount of the WIIA grant will be withheld until the Recipient completes and submits the Project Completion Certificate in a form satisfactory to EFC.

If you have any questions regarding the procedure for completing the Grant Disbursement Request Form, please contact EFC's Public Finance Division at (518) 402-7085.

Thank you for your prompt attention to this matter. Please call me if you have any questions or concerns, or if I can be of any further assistance.

Very truly yours,

This GRANT AGREEMENT, dated as of the date set forth on the cover page, is between the Recipient identified on the cover page hereof and the Corporation.

WITNESSETH:

WHEREAS, the Corporation is empowered under the NYSEFC Act to provide financial assistance to eligible recipients for the planning, design, and construction of eligible projects; and

WHEREAS, the New York State Water Infrastructure Improvement Act of 2015, being Part G of Chapter 60 of the Laws of 2015, and the New York State Water Infrastructure Improvement Act of 2017, being Part T of Chapter 57 of the Laws of 2017 (both chapters together, the “Water Infrastructure Improvement Act” or “WIIA”), authorized and direct the Corporation to provide financial assistance payments, from funds appropriated for such purpose to municipalities in support of water quality infrastructure projects; and

WHEREAS, the Recipient has submitted an application for financial assistance from the Corporation for the purpose of funding the Project, and the Project has been deemed by the Corporation to be eligible for assistance under the Water Infrastructure Improvement Act, and the Corporation has reviewed and approved the funding of the Project; and

WHEREAS, on the basis of Recipient’s application and the representations, warranties and covenants set forth herein, the Corporation proposes to make financial assistance available to the Recipient, pursuant to Article III of this Grant Agreement, to fund, or to reimburse the Recipient for costs incurred in connection with the Project, and the Recipient desires to receive such funding upon the terms and conditions set forth in this Grant Agreement; and

NOW THEREFORE, in consideration of the premises and the representations, covenants and agreements herein set forth, the Recipient and the Corporation, each binding itself, its successors and assigns, promise, covenant and agree as follows:

**Article I.
GENERAL PROVISIONS**

Section 1.01 Definitions.

Unless stated otherwise, each capitalized term used in this Grant Agreement has the meaning specified for it in EXHIBIT B.

Section 1.02 Effective Date and Term.

(a) This Grant Agreement is effective and shall become enforceable as of the date on the cover page following its execution by the Recipient and the Corporation.

(b) This Grant Agreement shall remain in full force and effect until the date of the Corporation’s acceptance of Recipient’s Project Completion Certificate, but in no case later than January 24, 2024, unless the Corporation agrees in writing to extend the term of this Grant Agreement.

(c) Article IV and Article V shall survive any termination of the Grant Agreement.

(d) Failure of Recipient to complete the Project within five years may result in

Recipient's forfeiture of undisbursed Grant proceeds.

Section 1.03 Approvals and Consents.

All approvals, consents, determinations and acceptances required to be given or made by any person or party hereunder shall be at the sole discretion of the person or party whose approval, consent, determination or acceptance is required.

Section 1.04 Interpretation.

The captions, headings and table of contents are solely for convenience of reference and shall not constitute part of this Grant Agreement. They do not affect its meaning, construction or effect. The parties acknowledge and agree that this Grant Agreement shall not be construed more favorably in favor of any party hereto based upon which party drafted the same.

Section 1.05 Exhibits and Appendices Incorporated.

All exhibits and appendices to this Grant Agreement, including any amendments and supplements hereto, are hereby incorporated in and made a part of this Grant Agreement.

Section 1.06 Amendments and Waiver.

Any provision of this Grant Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Recipient and the Corporation.

Section 1.07 Assignment.

The rights of the Corporation to enforce the duties, covenants, obligations and agreements of the Recipient set forth in this Grant Agreement may at any time, in whole or in part, be assigned and pledged by the Corporation. Thereafter, such duties, covenants, obligations and agreements assigned and pledged shall be for the benefit of and enforceable by the Corporation and such assignee. The Recipient may not transfer or assign this Grant Agreement without the prior written consent of the Corporation. Any purported transfer in violation of this Section 1.07 shall be null and void. The provisions of this Grant Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Section 1.08 Applicable Law; Venue.

This Grant Agreement and the rights and duties of the parties hereto, shall be construed and determined in accordance with the laws of the State of New York without regard to conflicts of law principles that would require application of the laws of another jurisdiction. Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any court of competent jurisdiction sitting in Albany County, in any action or proceeding arising out of or relating to this Grant Agreement and each party hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such court. Each party hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law. The Recipient hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Grant Agreement, in any court referred to herein, and, if applicable, agrees not to assert the defense of sovereign immunity in any such proceedings. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 1.09 No Warranty Regarding Condition, Suitability or Cost of Project.

Neither the Corporation nor the Agency makes any warranty, express or implied, as to the Project or its condition or that it will be suitable for the Recipient's purposes or needs, or that the proceeds of the Grant will be sufficient to pay the costs of the Project. Review or approval of engineering reports, facilities plans, design drawings and specifications or other documents, or any inspection of the Project by the Agency or the Corporation, does not relieve the Recipient of its responsibility to plan, design, and build the Project properly, and to operate and maintain the Project effectively, as required by laws, regulations, permits and good management practices. The Recipient acknowledges and agrees that the Agency and the Corporation or their agents or representatives are not responsible for increased costs resulting from defects in the plans, design drawings and specifications or other Project documents. Nothing in this section prohibits a Recipient from requiring assurances, guarantees, indemnity, or other contractual requirements from any party performing Project work.

Section 1.10 Notices.

All notices or other communications hereunder shall be sufficiently given, and shall be deemed given, when delivered in writing to the address, facsimile number, or e-mail of the identified party or parties set forth below, or to such other address, facsimile number, or e-mail as the appropriate party may hereafter designate by notice in writing given to the others.

Section 1.12 Execution in Counterparts.

This Grant Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

Section 1.15 No Waiver.

No delay or failure on the part of the Corporation, in the exercise of any power or right under this Grant Agreement shall operate as a waiver thereof or as an acquiescence in any default or Event of Default, nor shall any single or partial exercise of any power or right preclude any other or further exercise thereof or the exercise of any other power or right. The rights and remedies hereunder of the Corporation are cumulative to, and not exclusive of, any rights or remedies which the Corporation would otherwise have.

Article II.
REPRESENTATIONS AND WARRANTIES OF RECIPIENT

As of the date set forth on the cover page of this Grant Agreement, the Recipient provides the representations and warranties set forth below. The Recipient shall notify the Corporation of any material changes in the status of these representations and/or warranties during the term of this Grant Agreement. In addition, the Recipient acknowledges that it shall be required to provide such representations and warranties again at the time of submission of each request for Disbursement.

Section 2.01 Legal Authority/Capacity/Binding Obligation.

The Recipient is an entity duly organized and existing under the laws of the State and has full legal right, power and authority to conduct its business and own its properties, and enter into this Grant Agreement and comply with its terms. The Resolution has been duly adopted by the Recipient and remains in full force and effect; and any and all consents, authorizations and approvals of any third party required with respect thereto have been obtained. The Recipient certifies that it has the legal, institutional, managerial, contractual and financial capability to ensure adequate completion of the Project.

Section 2.02 No Action.

There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or known to be threatened against the Recipient, nor is there any basis therefor (i) affecting the creation, organization or existence of the Recipient or the title of its officers to their respective offices, (ii) seeking to prohibit, restrain or enjoin the execution of this Grant Agreement or (iii) in any way contesting or affecting the validity or enforceability of this Grant Agreement or the Resolution, or the execution of this Grant Agreement, or any agreement or instrument relating thereto, (iv) affecting the ability of the Recipient to fulfill the terms and conditions of this Grant Agreement, (v) that would impair or delay the Project, or (vi) that would have a Material Adverse Effect.

Section 2.03 No Default.

The Recipient is not in default under (i) any loan agreement, note, bond, mortgage, or other instrument evidencing or securing indebtedness; (ii) any agreement that would impair or delay the Project; or (iii) any agreement that would have a Material Adverse Effect. The Recipient is not, in any respect material to the transactions contemplated by this Grant Agreement, in breach of or in default under any applicable law or federal or State regulation or any applicable judgment or decree or any other agreement or instrument to which the Recipient is a party or by which it or any of its properties are bound, and no event has occurred which with the passage of time, the giving of notice or both would constitute such a breach or default. The execution and delivery of this Grant Agreement and the adoption of the Resolution and compliance with the respective provisions thereof will not conflict with or constitute a breach of or default under any applicable law or federal

or State regulation or any applicable judgment or decree or any agreement or other instrument to which the Recipient is a party or by which it or any of its property is bound.

Section 2.04 Project Approvals.

The Recipient has obtained all necessary approvals from any and all governmental agencies requisite to the completion of the Project and is in compliance with all federal, State and local laws, ordinances and regulations applicable thereto, and Recipient has obtained approval of engineering or facilities plans or reports with respect to the Project from the Agency and the Corporation.

Section 2.05 Funds Available.

Recipient has funds available or will have funds available upon the consummation of the transactions contemplated hereby sufficient to pay all costs of the Project.

Section 2.06 Description of the Project.

The description of the Project as set forth in EXHIBIT A is an accurate description of the scope of activities to be funded in part pursuant to the terms of this Grant Agreement.

Section 2.07 Estimate of Costs.

The Estimated Project Costs as shown in EXHIBIT C represent a reasonable estimate of the costs actually incurred or expected to be incurred for the Project.

Section 2.08 Environmental Review.

The Recipient, with respect to the Project, has complied with all requirements of the State Environmental Quality Review Act ("SEQRA") or a National Environmental Protection Act ("NEPA") environmental review, as the case may be, and has notified the Agency and the Corporation of all actions proposed for complying with the environmental review requirements imposed by SEQRA or NEPA environmental review, as the case may be.

Section 2.09 Intermunicipal and Other Agreements.

Except as disclosed to the Corporation in writing in connection with the Recipient's application for the Grant, the Recipient has not entered into any intermunicipal agreements or any other contract in connection with the Project and does not intend to enter into any other intermunicipal agreements in connection with the Project. If the Recipient has entered into a permitted intermunicipal agreement or any other contract in connection with the Grant, the term length of such agreement shall be at least as long as the term length of this Grant Agreement.

Section 2.10 Third-Party Funding.

The Recipient is eligible to receive the full amount of the Third-Party Funding specified in EXHIBIT C, if any, and knows of no existing fact, condition or circumstance that might act to vitiate such eligibility.

Section 2.11 Procurement, Suspension and Debarment; Lobbying.

The Recipient has not been deemed ineligible to submit a bid or be awarded a public contract or subcontract pursuant to any applicable law or regulation, including but not limited to, Labor Law § 220-b, Executive Law § 316, 2 CFR Part 180, or 2 CFR Part 1532. Further, neither the Recipient nor any of its

contractors have contracted with, or will contract with, any party that has been deemed ineligible to submit a bid on or be awarded a public contract or subcontract under any applicable law or regulation, including but not limited to Labor Law § 220-b, Executive Law § 316, 2 CFR Part 180, or 2 CFR Part 1532. The Recipient represents that it has not expended any appropriated federal funds to pay any person for influencing or attempting to influence an officer or employee of any agency, Member of Congress, officer or employee of Congress or any employee of any Member of Congress in connection with any grant or financing which exceeds \$100,000 hereunder in accordance with the provisions of 40 CFR Part 34.

Section 2.12 No Material Adverse Change.

Since the date of Recipient's application for Grant, there has been no change in condition (financial or otherwise) of Recipient which individually or in the aggregate could reasonably be expected to have a Material Adverse Effect.

Section 2.13 Full Disclosure.

The statements, documents, and information furnished to the Corporation in connection with the negotiation of this Grant Agreement and the commitment by the Corporation to provide the Grant are accurate, not misleading, and do not contain any untrue statements of a material fact or omit a material fact necessary to make the statements, documents, and information not misleading. Recipient acknowledges and agrees that the Corporation is only executing this Grant Agreement in reliance on such statements, documents, and information furnished to the Corporation being accurate and not misleading.

Section 2.14 Solvency.

The Recipient is solvent, able to pay its debts as they become due, and has sufficient capital to carry on its operations and complete the Project.

Article III.

AGREEMENT TO PROVIDE FINANCIAL ASSISTANCE

Section 3.01 Agreement to Provide Financial Assistance for Project Costs.

(a) *Grant Award.* Subject to the conditions and in accordance with the terms of this Grant Agreement, the Corporation will provide financial assistance to the Recipient for a period not to exceed five (5) years by making payments of Grant proceeds in an aggregate amount not to exceed the lesser of the Grant Award or 60% of Project Costs. The Corporation shall have no obligation to make payments more frequently than once every month. The Corporation will retain custody and control over Grant funds which will only be made available to the Recipient upon submission to the Corporation of documentation of incurred Project Costs and approval thereof by the Corporation. Subject to the Recipient's compliance with the terms and provisions of this Grant Agreement, the Corporation will make payment to the Recipient within thirty (30) days of the Corporation's receipt of a properly completed Grant Disbursement Request Form in the form of EXHIBIT E.

(b) *Retainage of Grant Proceeds.* The Corporation will retain the last twenty-five percent (25%) of Grant proceeds until the Recipient has submitted a Project Completion Certificate satisfactory to the Corporation. The Corporation shall disburse to the Recipient the retained proceeds within thirty (30) days after the Corporation accepts the Project Completion Certificate.

Section 3.02 Source of Funding; Nature of Obligation.

The Corporation shall provide financial assistance to the Recipient pursuant to this Grant Agreement solely from moneys made available to it for purposes of the Program. The Corporation has no obligation to

make any financial assistance payments and no obligation shall be incurred by the State or the Corporation beyond moneys made available for such purposes. Further, the Corporation has no obligation to make Grant payments to the Recipient beyond the term of this Agreement. In the event the Recipient shall, at any time, receive any Third-Party Funding from any entity other than the Corporation, the Recipient must draw down, in full, such Third-Party Funding prior to requesting any disbursement of Grant proceeds hereunder. If the Recipient is unable to draw down in full such Third-Party Funding, the Recipient must provide a written explanation and accompanying documentation to the Corporation satisfactorily substantiating its need for the release of Grant proceeds prior to the full draw down of such Third-Party Funding that the Corporation may accept or deny in its sole and absolute discretion.

Section 3.03 Requests for Disbursement of Grant Proceeds.

(a) Recipient shall request payment of Grant proceeds by submitting to the Corporation a Grant Disbursement Request Form in the form set forth in EXHIBIT E.

(b) With each request, the Recipient must submit documentation to the Corporation in support of such request in a form and manner acceptable to the Corporation. The documentation shall demonstrate that the costs for which a disbursement is requested are for the Project, and that the goods and services for which the costs were incurred have been provided. Satisfactory documentation may include, but is not limited to, signed copies of payment vouchers or invoices, cancelled checks, details of current indirect cost and fringe benefits rates, copies of all sub-agreements, executed change orders, and payroll records tabulations of allowable costs incurred to date.

Section 3.04 Disapproval or Adjustment of Payment Request.

In addition to the remedies set forth in Section 5.02, the Corporation may take any action permitted hereunder or under applicable law, including, but not limited to, rejecting, correcting, or withholding any or all payments to the Recipient, if the Corporation, in its sole discretion: (i) determines that the incurred costs requested for reimbursement are not eligible Project Costs, (ii) the Recipient has not properly documented the costs, or (iii) the Recipient has not complied with any term or condition of this Grant Agreement, including, but not limited to, its failure to timely file quarterly MWBE reports.

Section 3.05 Proof of Payment.

The Recipient shall provide the Corporation with proof of payment of costs within forty-five (45) days of each payment of Grant proceeds to the Recipient. Proof of payment submitted by the Recipient shall be sufficient to allow the Corporation to document that billings and invoices were paid, such as cancelled checks, payroll and machinery use records certified by the Recipient, and such other forms of cost documentation as may reasonably be requested by the Corporation. If the Corporation determines that the Recipient has provided inadequate documentation or has used prior grant payments for ineligible costs, the Corporation may take any action permitted hereunder or under applicable law, including making adjustments by deducting an appropriate amount from subsequent grant payments to the Recipient.

Section 3.06 Changes to Project.

Grant payments will not be made for costs related to any changes in the Project unless and until such change has been reviewed, approved, and accepted by the Agency or the Corporation. The Recipient shall certify, in each Grant Disbursement Form submitted, that the disbursement requested does not include payment for any costs for changes to the Project which have not been so reviewed, approved, and accepted.

**Article IV.
COVENANTS**

Section 4.01 Compliance with Laws and this Grant Agreement.

(a) *Project Compliance.* The Recipient shall comply, and it shall require its authorized representatives, contractors, subcontractors and consultants paid with funds provided pursuant to this Grant Agreement to comply, at all times with all applicable federal, State and local laws, statutes, regulations, ordinances, rules, Executive Orders applicable to it and them (including, without limitation if applicable, the Davis-Bacon Act, Executive Order 11246, Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, Federal Funding Accountability and Transparency Act, Section 504 of the Rehabilitation Act of 1973, and Section 608 of the Clean Water Act). The Recipient agrees to ensure that the Project will effectively protect water quality, employ good management practices and fulfill all federal and State requirements, all requirements of this Grant Agreement, and all applicable instructions issued by the Commissioner to ensure that these requirements are met. Upon request by the Corporation, the Recipient shall promptly provide the Corporation, with evidence of its, and its authorized representatives, contractors, subcontractors and consultants paid with funds provided pursuant to this Project Finance Agreement, compliance with all applicable federal, State and local laws, statutes, regulations, ordinances, rules, Executive Orders applicable to it and them.

(b) *Enforcement.* Regardless of acceptance by the Agency or the Corporation of a certification by the Recipient that a Project requirement has been met, the Recipient shall permit the Agency or the Corporation to take any actions necessary to confirm the accuracy of such certification. The making of Grant payments by the Corporation does not constitute an acknowledgment or agreement by the Corporation that the Recipient is in compliance with the terms and conditions of this Grant Agreement.

(c) *Business Participation Opportunities for New York State Certified Minority- and Women-Owned Business Enterprises ("MWBE") and Equal Employment Opportunities ("EEO") for Minority Group Members and Women.* The Recipient acknowledges that contracts and subcontracts for the Project that are paid for with funds provided pursuant to this Grant Agreement, including, but not limited to, construction, engineering, architectural, legal and fiscal services contracts and subcontracts, shall be subject to the requirements and provisions of Article 15-A of the Executive Law ("Article 15-A") and 5 NYCRR Parts 140-145 (the "MWBE Regulations") and, for such purposes, any such contract or subcontract shall be considered a State Contract as defined therein. The Recipient shall require the provisions set forth in EXHIBIT G attached hereto to be included in all State Contracts which are to be paid for with funds provided pursuant to this Grant Agreement. The Recipient shall comply, and shall require its contractors and subcontractors paid with funds provided pursuant to this Grant Agreement to comply, with Article 15-A and the MWBE Regulations. Recipient acknowledges, and shall advise all contractors and subcontractors paid with funds provided pursuant to this Grant Agreement, that the MWBE goals in effect at the time of execution of each contract/subcontract shall be applied to the Grant Award. The Recipient shall provide the Corporation with documentation it receives from contractors and subcontractors, as required by law or requested by the Corporation regarding EEO and MWBE. The Recipient's approval of a Utilization Plan or waiver request is subject to the prior consent of the Corporation. If required by Article 15-A or the MWBE Regulations, the Recipient shall submit to the Corporation information received from the Recipient's contractors or subcontractors regarding all good faith efforts made by them to comply with the applicable MWBE participation goals. If Recipient fails to file timely quarterly MWBE reports, the Corporation may withhold Grant payments until the Recipient files all overdue reports.

(d) *Business Participation Opportunities for New York State Certified Service-Disabled Veteran-Owned Businesses ("SDVOB").* The Recipient acknowledges that contracts and subcontracts for the Project that are paid for with funds provided pursuant to this Grant Agreement, including, but not limited to, construction, engineering, architectural, legal and fiscal services contracts and subcontracts, shall be subject to the requirements and provisions of Article 17-B of the Executive Law ("Article 17-B") and 9 NYCRR Part 252 (the "SDVOB Regulations") and, for such purposes, any such contract or subcontract shall be considered a State Contract as defined therein. The Recipient shall require the provisions set forth in Exhibit G attached hereto to be included in all State Contracts which are to be

paid for with funds provided pursuant to this Grant Agreement. The Recipient shall comply, and shall require its contractors and subcontractors paid with funds provided pursuant to this Grant Agreement to comply, with Article 17-B and the SDVOB Regulations. Recipient acknowledges, and shall advise all contractors and subcontractors paid with funds provided pursuant to this Grant Agreement, that the SDVOB goals in effect at the time of execution of each contract/subcontract shall be applied to the Grant Amount. The Recipient shall provide the Corporation with documentation it receives from contractors and subcontractors, as required by law or requested by the Corporation regarding SDVOB. The Recipient's approval of a Utilization Plan or waiver request is subject to the prior consent of the Corporation. If required by Article 17-B or the SDVOB Regulations, the Recipient shall submit to the Corporation information received from the Recipient's contractors or subcontractors regarding all good faith efforts made by them to comply with the applicable SDVOB participation goals. If Recipient fails to file timely quarterly SDVOB reports, the Corporation may withhold Grant payments until the Recipient files all overdue reports.

(e) *Special Project Conditions.* The Recipient shall comply with any and all special Project conditions set forth in EXHIBIT D.

(f) *Project Approvals.* The Recipient shall obtain all necessary approvals from any and all governmental agencies requisite to the completion of the Project and comply with all federal, State and local laws, ordinances and regulations applicable to the Project.

(g) *Environmental Review.* The Recipient certifies that it shall continue to notify the Agency and the Corporation of all actions proposed for complying with the environmental review requirements imposed by SEQRA and approved by EPA for Revolving Fund projects, as the case may be. If the Commissioner determines that, in addition to all such requirements of SEQRA, there are additional requirements associated with a NEPA environmental review, the Recipient shall comply with those additional requirements. The Recipient agrees to provide copies of all environmental documents as may be required by the Agency and the Corporation.

(h) *Restrictions on Lobbying.* Intentionally Omitted.

(i) *Recipient Contribution.* The Recipient agrees to provide at least 40% of the Project Costs as its recipient contribution requirement under the Program as set forth in EXHIBIT C.

(j) *Maintenance of Legal Status.* Recipient shall notify the Corporation of the Recipient's intent to change its form of legal existence or dissolve at least 120 days before such change or dissolution. Recipient shall preserve and keep in force and effect all licenses, permits, and approvals related to the Project.

(k) *Liens.* Recipient shall not create, incur or permit to exist any mortgage, lien, security interest, pledge, charge, mechanics' or supplier's lien, or encumbrance of any kind on any Project property.

C. If any terms or provisions herein conflict with Executive Law Article 15-A or the MWBE Regulations, such law and regulations shall supersede these requirements.

D. Upon request from the Recipient’s Minority Business Officer (“MBO”) and/or EFC, Contractor will provide complete responses to inquiries and all MWBE and EEO records available within a reasonable time. For purposes of this section, MBO means the duly authorized representative of the State financial assistance Recipient for MWBE and EEO purposes.

II. Equal Employment Opportunities (EEO)

A. Each Contractor and Subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these

purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

For construction Contracts or Subcontracts, the portion of the Contract or Subcontract with an MWBE serving as a supplier, and so designated in ESD's Directory, that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60% of the total value of the Contract or Subcontract. The portion of a Contract or Subcontract with an MWBE serving as a broker, as denoted by NAICS code 425120, that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

4. Where MWBE Contract Goals have been established herein, pursuant to 5 NYCRR § 142.8, the Contractor must document "good faith efforts" to provide meaningful participation by MWBEs as Subcontractors or suppliers in the performance of the Contract.

2. The Contractor agrees to use such MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in Section III-A of this section.
3. The Contractor further agrees that a failure to submit and/or use such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Recipient shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is not responsive.
4. Contractor must report any changes to the Utilization Plan after Contract award and during the term of the Contract to the Recipient's MBO. When a Utilization Plan is revised due to execution of a change order, the change order should be submitted to the MBO with the revised Utilization Plan.
5. The Contractor shall submit copies of all fully executed subcontracts, agreements, and purchase orders that are referred to in the MWBE Utilization Plan to the MBO within 30 days of their execution.

C. Requests for Waiver

1. If the Contractor, after making good faith efforts, is unable to comply with MWBE goals, the Contractor may submit a Request for Waiver to the Recipient documenting good faith efforts by the Contractor to meet such goals. If the documentation included with the waiver request is complete, the Recipient shall forward the request to EFC for evaluation, and EFC will issue a written notice of acceptance or denial within twenty (20) days of receipt.
2. If the Recipient, upon review of the MWBE Utilization Plan and updated Quarterly MWBE Contractor Compliance Reports determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Recipient may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

The Contractor agrees to submit a report to the Recipient by the third business day following the end of each month over the term of this Contract documenting the payments made and the progress towards achievement of the MWBE goals of the Contract. The Monthly MWBE Report must be supplemented with proof of payment by the Contractor to its Subcontractors (e.g., copies of both sides of a cancelled check) and proof that Subcontractors have been paid within 30 days of receipt of payment from the Recipient. The final Monthly MWBE Report must reflect all Utilization Plan revisions and change orders.

E. Liquidated Damages - MWBE Participation

In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, if it has been determined by the Recipient

or EFC that the Contractor has willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to Recipient liquidated damages or other appropriate damages, as specified herein and as determined by the Recipient or EFC.

Liquidated damages shall be calculated as an amount not to exceed the difference between:

1. All sums identified for payment to MWBEs had the Contractor achieved the approved MWBE participation goals; and,
2. All sums actually paid to MWBEs for work performed or materials supplied under this Contract.

The Recipient and EFC reserve the right to impose a lesser amount of liquidated damages than the amount calculated above based on the circumstances surrounding the Contractor's non-compliance.

In the event a determination has been made by the Recipient or EFC which requires the payment of damages identified herein and such identified sums have not been withheld, Contractor shall pay such damages to the Recipient within sixty (60) days after they are assessed unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Empire State Development Corporation – Division of Minority and Women's Business Development ("ESD") pursuant to Subdivision 8 of Section 313 of the Executive Law in which event the damages shall be payable if the Director of ESD renders a decision in favor of the Recipient.
