

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

February 26, 2019

To: Terrence D. McCracken, Secretary to the Authority

From: Leonard F. Kowalski, Senior Distribution Engineer

Subject: Asbestos Cement Pipe (ACP) Removal and Disposal
June 1, 2019 through May 31, 2021
ECWA Project No. 201900045

The work included in this contract consists of furnishing a crew and equipment as may be required to perform removal and disposal of Asbestos Cement Pipe (ACP) that has been exposed by excavating within right-of-ways located in Erie County Water Authority's franchised areas and water districts that the Authority operates under a lease managed contract. The Authority will perform the excavating to expose the pipe, the contractor will be responsible for removing the pipe from the excavation and disposing of the pipe.

The following documents are attached:

- Blue Authorization Form - this form provides the project name and project number, the action that is being requested of the Board, and it provides a list of approvals that are required prior to being acted on by the Board.
- One (1) set of Contract Documents.

The Project Manual needs to be reviewed by the Risk Manager and the Legal Department before the Board can provide the Authorization to Advertise.
