Hi Terrence,

I'm not sure if I am contacting the right person, but this is what I am looking for. The Easement signed by the Seneca Nation (Dennis Lay) and individual landowners on the reservation for the 13 mile water transmission main built. MY mom is an individual land owner on the reservation and she just wants her paperwork in order, because she's 88 years old. She believes it was signed back in the late 80's or early 90's. This line would be the one that goes under cattaraugus creek. The street is Milestrip. Anything you have would be helpful. Thank you.
