Good Afternoon,

I am following-up regarding the FOIL request I submitted to your office two and a half months ago. To date, I have received neither an acknowledgment of receipt, nor any response to the request. In the interest of assuming this was an oversight by your office, I am respectfully reiterating my request for the information referenced in my original email dated, April 1, 2026 (see below).

As you are aware, New York State's Freedom of Information Law (FOIL) requires that FOIL requests be acknowledged within five (5) days. Please confirm whether this request is currently being processed and provide an estimated timeframe for when I may expect the requested information. If I do not receive a response from your office within five (5) days, I will consider the request to be constructively denied and will proceed with an administrative appeal to your General Counsel, in accordance with the provisions outlined under the FOIL.

Please also note that if the requested records cannot be produced, a lawful explanation must be provided. Absent such an explanation, I will have no alternative but to notify the NYS Committee on Open Government prior to initiating an Article 78 proceeding in New York State Court to compel disclosure.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
Michael Muehlbauer

Good Afternoon Ms. Hibit,

As provided under the New York State Freedom of Information Law (FOIL), I would like to request all information and records (excluding standard water bills) the ECWA has regarding work, repairs, communications, contracts, etc. involving or pertaining to the property at 30 Forest Stream Road, Amherst, NY 14221, or its owners. At a minimum, I am seeking records from the past twenty years (04/2006). I attest that I am the current owner and have been since 08/2008. Please advise beforehand if there will be a fee associated with this records request.

Thank you for your time and assistance.

Sincerely,
Michael Muehlbauer
