Hello,

I am requesting public records for residential water service shutoffs due to non-payment.

Please provide records for the past 30 days showing:

- Service address
- ZIP code
- Date of shutoff/disconnection

I am requesting address-level data only. I do not need customer names, account numbers, balances, or other personal information.

Please provide the records in Excel or CSV format if available.

If fees will exceed $50, please provide an estimate before processing.

Thank you,

Michal Jule
