

The Brotherhood of Western New York Water Workers

March 20, 2023

Terrance McCracken
Secretary to the Authority
Erie County Water Authority
295 Main St Rm. 350
Buffalo, NY 14203-2494

Dear Mr. McCracken:

The Brotherhood of WNY Water Workers will be addressing the board on the subject of inclement weather. As a courtesy, we request that this be placed on the April 20, 2023 meeting agenda as a separate item, but failing that, we will be appearing during the section of the agenda that is open to the public. A handful of the union's representatives will address the following subject matter:

1. Travel Bans;
2. Departmental Staffing Shortages;
3. Employees becoming stranded at their work sites; and
4. The importance of off hour shift workers and the duties they provide in inclement weather situations.

Thank you in advance for your cooperation on this matter.

Sincerely,

Dan Rusin
President
