

Dear, Terrence

I kindly request the following records:

A list of properties that have experienced water shut-offs within the last 30 to 60 days, if possible, or for a longer period if available. For the purpose of my research project, I am primarily interested in the property addresses and any relevant titles or identifiers that will help me locate these properties within the City of Buffalo. Please exclude any sensitive or personal information related to property owners or occupants. I understand that you may charge fees for copying or reproducing records, and I am willing to cover reasonable costs associated with fulfilling this request. Please inform me of the estimated costs, if applicable. I appreciate your assistance in this matter and thank you for your prompt attention to this request. As per the Freedom of Information Law, I request that the records be made available to me as soon as possible, and I understand that the law requires a response within five business days. I have attached my enrollment certificate for proof that I attend Nazareth University

Sincerely,

Emmanuel Enock

Good afternoon Foil Officer,

My apologies for the miscommunication. My letter was supposed to say 'The City of Buffalo' . I hope you are able to provide me with proper documents. I sent out similar letters to other counties for an Analysis I am doing and I missed the slight major error, Unfortunately. My apologies again for that.

regards,

Emmanuel Enock
