Good afternoon,

I am writing to request basic information on the number of times the water supply line on Salt Rd. in Clarence has been repaired since 2007. Specifically, I am looking for information on number of repairs to the section of water line between Greiner Rd and Clarence Center Rd.

I would be satisfied with a "ball-park" figure as well, if you are so inclined.

Thank you very much for your time. Feel free to contact me if you have any questions on this request. I'll be happy to answer as best I can.

Sincerely,

David Gill
