Hello

Monday 8-11-2025 we had a house fire and lost everything. The town wanted proof from Erie County Water Authority stating that the service to 166 Peppermint Rd, Lancaster, NY 14086 was shut off. I was told to email to you would be how we receive this.

My dad Joe Walter was at the road when ECWA was there Monday night shutting off service to our house. The worker stated he was going to be putting in a work order to have the pipe raised because it was buried underground.

If you could please email me the proof of service being shut off.

Thank you

Amanda Fallacaro
