Subject: [EXTERNAL] Public Records Request — Service Disconnections for Non-Payment, Erie County Water Authority service area
Date: Monday, October 19, 2026 7:45:01 PM

This message was sent from outside the organization. Do not open links or attachments unless you recognize the source of this email and know the content is safe.

My name is David Braham, and I am conducting property research within the Erie County Water Authority service area.

I am writing to ask about access to any list of service addresses where service was disconnected, or is scheduled to be disconnected, for non-payment, for the most recent month. The service address alone is enough; no account numbers, balances or payment details are needed.

This information would be used strictly for research and analysis purposes.

Could you please let me know:

- Whether this record exists, and what the office calls it
- Whether a copy can be provided, and in what format (PDF, Excel, CSV) and at what cost
- If another office or person handles this request, I would appreciate the referral

I understand this falls under the New York Freedom of Information Law (Public Officers Law § 84 et seq.).

Thank you for your time and assistance.

Best regards,

David Braham
