Dear Erie County Water Authority Records Access Officer:

Under the New York Freedom of Information Law (FOIL), I am requesting the following public records in electronic format (CSV or Excel sent by email is preferred):

A current list of delinquent water accounts for the Erie County Water Authority, including for each account: the service address, account status, and balance owed.

If fulfilling this request would require any fee, please provide a cost estimate before proceeding. Do not incur charges without my written approval.

This request is for commercial real estate marketing purposes.

Thank you,
Luis Peralta
