RE: Service Management Agreement with the City of Lackawanna

Dear Mr. McCracken:

According to the Erie County Water Authority ("ECWA") website, it appears that the City of Lackawanna (the "City") is a direct service area. Our office does not have a copy of the Service Management Agreement between the ECWA and the City. We respectfully submit this FOIL request for a copy of the Service Management Agreement with the City and that same be provided to our office.

Please let me know if you have any questions or require anything further. Thank you in advance for your attention to this matter.

Very truly yours,
