Dear Sir/Madam:

This letter constitutes notice of the existence of a dangerous and defective condition upon the sidewalk abutting 102 Sable Park, East Amherst, New York. This condition consists of a raised water pipe and water pipe cap which protrudes approximately 1" from the surrounding sidewalk surface. The said defect is immediately to the left of the driveway of 102 Sable Park as you are facing the house from the street. I am providing a color laser copy of a photograph depicting said condition.

Thank you for your attention to this matter.

Very truly yours,

 Denis J. Bastible
