Claimant's Statement

Starting in June 2026, Grand Jude plumbing came to Forest Edge property to look at a water main leak next to 101 Forest Edge Drive. The leak was on the corner of Forest Edge Drive and Greenwood Drive in East Amherst. Frank from Grand Jude Plumbing continued to call to have a representative from Erie County Water come and look at the leak because he felt it was and Erie County Water Line. The representative kept telling Frank that water leak detection had been done and it was not on Erie County Water line. The leak continued and Forest Edge Cluster Association finally made the decision to have Grand Jude dig and repair the leak if it was ours or contact Erie County Water if it was their line.

On Tuesday, September 22 Grand Jude finally came and dug to repair and find the leak. The area was marked by the utility companies, so we were all set. When they dug, they found the water leak, and it was on the Erie County Water line, not the Forest Edge line.

Joe from Grand Jude contacted Erie County Water, they used their leak detection and found that it was their line and took over the digging and made the repair to the line and closed the hole.

I am requesting the Grand Jude bill enclosed amount be reimbursed back to Forest Edge Cluster Association.

Forest Edge Cluster Association is a Homeowners Association in East Amherst NY and has 155 townhomes as part of the community. The community is professionally managed by R&D Property Management of WNY, LLC.
