Claimant's Statement (please print legibly and be specific):

Michael was mowing my lawn, near driveway/street area, where unfinished repair work for last year's water leak (ECWA responsible) covered rocks that were not visible. The rocks were never removed when repair work was done, & landscaping had not started yet.

The mower hit rock, & completely bent the crankshaft, leaving the mower totally unrepairable.

I had to purchase a new mower, & got one at Lowes that was equivalent to the damaged mower.

Lowes mower : \$519

+ 45.41 tax

\$564.41 Total (receipt included)

ECWA people I spoke with regarding this matter:
