Claimant's Statement (please print legibly and be specific):

Due to water main break on Rogers Road on Tuesday 12/2/25 - we live on the corner of Rogers / Cloverbank - our entire side, front, and backyard flooded. We took in 3 1/2 ft. of water in our basement. The damage is extensive. We need to replace the furnace. Our entire basement is finished, the floor lifted up and came off. ruined everything within 3f. of the floor. Couch, portable, fireplace, chairs, tables, custom bar, electronics, dressers, holiday decor, personal mementos, books, ski gear, sports equipment, photo albums, area rugs, lamps, memorial items and picture boards, sports memorabilia, dry wall, custom built shelves, tools, paint supplies, laptop computer, too many items to list.

It took 4 hrs. to pump out the water. We need to have the entire basement remediated and dried out. Took time off work to sort, dry out, clean. The amount of loss is devastating.

Concerns to structure, flooring, electrical components, and personal property stored in the affected areas. Damaged stairs, HVAC components, electrical outlets, baseboards.

Contacted restoration company - ServPro - estimate provided.

Documented damage through photos and videos.

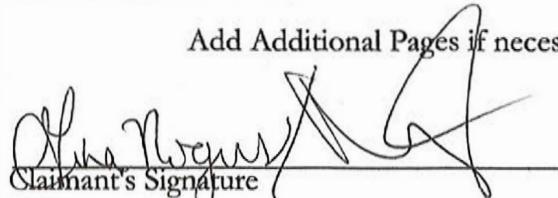

Estimate forthcoming for rebuild.

HVAC invoice provided.
