Dear Mr. McCracken,

My name is Renee Fox. I lived at 204 S. Cayuga Road, Williamsville, NY 14221, from June 1, 2017 through May 31, 2025. Unfortunately, my marriage failed and my divorce has been effective since February 27, 2025. I was required by court to pay the mortgage and utilities at what was our Williamsville residence until I moved. At the same time, my ex who no longer lived there with myself and our children was required to pay me maintenance and child support. He was not paying, and I could not pay those bills without that support...until December 2023. I began paying these bills when he started paying me. I am requesting info because though I was paying the bills, the water bill continued to be delivered only to him — the one bill I could not get in my own name. I requested to get the bill directly since I was expected to pay it, but I was told that since the home was in a trust, the trustee or “owner” would have to make that change. I requested of my estranged husband to at least send the water bill to me as soon as he received it. He never did. He sent them to me only after late fees were accrued. The last ECWA bill I received and paid was in August 2024 for \$393.80. As it was, a portion of that was for late fees. This current bill for \$911.21 due June 27, is the next and last bill I received from Carleton, my ex. I want to know how much of this bill is for late fees because he disregarded my request to send me the bills as soon as he received them so that I could pay them on time. He needs to reimburse me for the late fees — as he is the cause for them. This is why I am requesting the original copies of the water bills for 204 S. Cayuga Road since the Apr-Jun 2024 that I received notice of and paid in August, through the end of May, 2025. I attached the bill Carleton sent to me via my son.

Thank you,

Renee Fox
