Freedom of Information Law Request – Aggregate Water Shutoff Data

To: Terrence D. McCracken
Freedom of Information Officer
Erie County Water Authority
295 Main Street, Room 350
Buffalo, NY 14203

Dear Mr. McCracken,

Pursuant to the New York Freedom of Information Law (Public Officers Law §§84-90), I respectfully request copies of, or electronic access to, any records or summary reports maintained by the Erie County Water Authority that show:

The number of water service disconnections due to non-payment or vacancy within each municipality or ZIP code served by ECWA during the most recent 12-month period.

This request is for research and public-interest transparency purposes only, not for commercial or fundraising activity.

I am not requesting any customer-identifying information such as names, service addresses, account numbers, or phone numbers.

If any portion of the responsive records is exempt, please provide the non-exempt portions and cite the specific statutory basis for any redactions in accordance with Public Officers Law §89(2)(c).

Please confirm receipt of this request and advise of any applicable fees or estimated time for completion.

Sincerely,

Michael Verisco
