Dear FOIL Officer,

Pursuant to the New York Freedom of Information Law (Public Officers Law Article 6), I am requesting the following records: the Erie County Water Authority's water delinquency list — all residential service addresses with water accounts delinquent 60 days or more, or disconnected for nonpayment, in the most recent delinquency or disconnect report available (and any such report generated in the past 90 days), including for each account: service address, delinquency or disconnection date, and amount owed.

Service addresses are sufficient — you may redact customer names, account numbers, and any other personal identifiers protected under the law. If any portion of this request is denied, please cite the specific statutory exemption and release all remaining responsive records.

I prefer delivery by email, in CSV or Excel format if available.

Thank you,
Tim Spaker
