Re: FOIL Request for information related to Public Water Systems serviced by ECWA

Dear Records Access Officer:

I am writing to request information about municipalities and Public Water Systems (PWS) serviced by Erie County Water Authority (ECWA) and receiving drinking water sourced from Lake Erie and/or Lake Ontario. I am requesting the following information:

1. The names and IDs of PWS operated by ECWA that deliver water sourced from Lake Erie and/or Lake Ontario;
2. For each of these PWS, a list of the municipalities served, all or in part, and the number of people served;
3. The names and IDs of PWS that purchase from, or are supplied by, ECWA, from Lake Erie and/or Lake Ontario source water.

Please feel free to contact me at (845) 926-2440 or rhithron@gmail.com if you have any questions regarding this request. Thank you for your assistance.

Sincerely,

Jennifer Epstein
