Hello Terrance!

I hope you had a great weekend!

I am reaching out in hopes that a foil request is the way to obtain any information regarding an easement with Erie County Public Works listed as the name on the drainage easement, at 1710 S Creek in Evans. We are under contract to purchase this and as part of our due diligence we are looking for any type of restrictions tied to this along with any responsibility of my clients should they move forward with the purchase.

If a foil request is not the correct protocol to find our answers I would greatly appreciate your assistance in redirecting me to the correct contact!

Thank you in advance and have a blessed day!!
