Dear FOIL Officer,

My name is Dennis, representing New Era Cap. I hope this message finds you well. We are planning to renovate the sidewalks in front of our building located at 160 Delaware Ave. Prior to beginning demolition and construction, we require detailed plans of the sidewalk area, including any available street, utility, or infrastructure drawings. Specifically, there are two areas (“craters”) at the front of the building, and we need information on their depth and any underlying infrastructure to ensure safe and proper repairs/updates.

Pursuant to the New York Freedom of Information Law (FOIL), I kindly request copies of any records, plans, drawings, or documents related to the sidewalks and utilities in this area. If there are any fees associated with fulfilling this request, please inform me beforehand.

Thank you for your assistance. I look forward to your response.
