Good morning,

Pursuant to our Freedom of Information Policy, specifically Section 7: FOIL Requests, a requester is required to provide their full name together with complete mailing address and contact information (email and/or telephone number).

Please provide this information. Once we receive this, that will be considered the date/time the FOIL request has been received. I have provided a link to the policy for your easy reference.

Also, if you could be more specific with exactly what you are looking for that would assist us.

Thank you.
