Procedures for Filing a Claim with the Erie County Water Authority

General Information

2019-036 – Hyde, Jason

If you desire to file a claim against the Erie County Water Authority, please consider the following information.

A “Notice of Claim” is a notice to the Erie County Water Authority of your claim against the Erie County Water Authority. The contents of a Notice of Claim are set forth in the New York General Municipal Law § 50-e (2). A Notice of Claim must include: (1) the name and post office address of each claimant, and of his/her attorney, if any; (2) the nature of the claim; (3) the time when, the place where and the manner in which the claim arose; and (4) the items of damage or injuries claimed to have been sustained so far as then practicable.

If you wish to file a claim against the Erie County Water Authority for property damage or personal injury, please follow this procedure:

1. Submit a claim to your own insurance company and provide insurance company claim number. (If damage is less than deductible, there is no need to submit to insurance.) Deductible payment is still required with claim.
2. Your claim should include:
 - A. Information indicating a filing of a claim with your own insurance company including the amount of claim, name of the insurance company, and adjuster, and the amount that the insurance company paid. Also, provide evidence as to the amount of your deductible by sending a copy of the declarations page of your policy.
 - B. A written statement supporting the claim for which you are seeking recovery, including date, location, persons and property involved.
 - C. Documentation of your claim:
 - a. Ownership (aka Certificate of Title).
 - b. If medical expenses are being claimed - copies of bills once submitted to health insurance or automobile insurance (under the medical portion of the policy) must be submitted explaining what insurance covered and the outstanding balance.
 - c. If property damage is a vehicle- a copy of the declaration page (showing deductible amounts and coverage) from your insurance company. If liability insurance coverage (2) repair estimates must be submitted also.
 - d. Evidence of any other amounts you are claiming (accompanying a receipt).
 - e. Names of persons with whom you have communicated regarding this claim.

Once information on a claim is received, an investigation is started to determine if the Erie County Water Authority is liable. All of the above information is necessary to start the investigation. **Please submit insurance information and your Notice of Claim immediately. A written statement for the total amount of the claim must be provided.**

If the Erie County Water Authority is liable, the claim is paid by the Erie County Water Authority or by our insurance company. The Erie County Water Authority cannot write you a check immediately for your damages, as the Erie County Water Authority Board of Commissioners must approve claim payments.

If your claim has been allowed and an amount agreed upon, you will be sent a General Release to sign. You must return that release before your claim can be processed. It may take many weeks after approval of your claim before you receive a check from the Erie County Water Authority or our insurance company.
