Claimant's Statement (please print legibly and be specific):

I was driving south on Abbott Rd in Lackawanna. Just south of Martin Rd. When the construction Street sign fell over and hit the corner of my vehicle. It smashed my windshield and dented the corner frame. I have included pictures of the damage done to my vehicle and of the sign that made impact. When the incident occurred, I tried locating a construction worker but no one could be found. It seems they have been working overnights in which the street sign should of been laid down. As I've noticed they have been doing since the incident occurred, as I called and complained. As I drive Abbott Rd. regularly.

All statements herein are made under penalty of perjury.
