### **Re: Freedom of Information Law Request for Records**

Dear Secretary:

Under the provisions of the New York State Freedom of Information Law, Article VI of the Public Officers Law, I hereby request all records or portions thereof pertaining to Volland Electric's invoices and related back up for any labor, material and/or services for all locations of the Erie County Water Authority from January 1, 2019 to present.

I am seeking disclosure of these reports and records on behalf of the International Brotherhood of Electrical Workers, Local Union 41 members.

As I am sure you are aware, the Freedom of Information Law requires that an agency respond to a request within five (5) business days of receipt of request. Therefore, I appreciate a response as soon as possible.

If there are any fees for searching or copying the items requested, please email me at [jbrown@ibewlocal41.com](mailto:jbrown@ibewlocal41.com) before you fill the request. I would be willing to pay as prescribed by Public Officer Law (Article VI 87 Paragraph 1 9(b) (iii)).

If for any reason any portion of my request is denied, please inform me of the denial in writing, and provide the name of the person or body to whom an appeal should be directed.

Thank you for your attention to this matter.

Sincerely,

Jason A. Brown  
Assistant Business Manager
