Hello,

I am helping a veteran with the purchase of 12109 Buckwheat Road, Alden, NY 14004. The appraiser noted this home is not connected to public water, but the veteran is insisting the home is connected to Erie County Water. Are you able to confirm if the property at 12109 Buckwheat Road, Alden, NY 14004 is connected to your water authority? If you need any other information, please let me know.

Thank you,

**Jordan Varvaro**
