Subject: Erie County Water Authority FOIL Request

Good Afternoon,

I hope you are having a great day! I would like to request the following information. If there is a problem with my request, please let me know and I will be happy to correct.

I would like the addresses of all properties in Erie County that are not currently receiving service in your departments service area. (Erie County Water Authority)

I would also like the dates in which the service was terminated for each property.

Regards,
