Subject: List of Properties

Hello, I have a Freedom of Information Act request. I would like to request 2 different types of lists of homes in Cheektowaga, NY fitting the criteria below:

1. A list of all properties that have had the water shutoff or disconnected in the last 30 days!

2. A list of all properties that have had the water shutoff or disconnected in the last year and have not been turned back on!

If this is something that can be emailed to me, my email address is [REDACTED] thanks.
