Claimant's Statement (please print legibly and be specific):

At approximately 6:00am on Dec. 18, 2025 my daughter went to go to the basement and found several feet of water throughout. Upon further investigation she found that the front yard was flooded and water was bubbling out of the ground. The Town of Evans Police were called and a detail pump was issued. Erie County Water Authority came and discovered a 10 inch water main break at the road. Hours later the water was shut off and the basement was pumped out. I lost my furnace, hot water tank, washer and dryer along with \$1000's of other items.
