Last year Advanced Analytical Solutions secured the bid to Furnish and Deliver Chemistry and Microbiology Proficiency Samples and Chemistry Standards. We are in the process of submitting a bid for Project No. 20240005.

As part of the Freedom of Information Act we would like to know if we can get copies of last years Bid Responses (Minus our bid) or at the very least a list of the companies that provided?

Please let me know if you need any additional information.

Sincerely,

**Sarah**
