Good afternoon Mr. McCracken,

I would like to make an official Freedom of Information Act request to obtain the following documentation:

1. Any records held by the Erie County Water Authority (ECWA) regarding work that was done on ECWA property or infrastructure between January 15, 2021 and 1045 on February 25, 2021 within 1000 feet of the major water main break (<https://www.wkbw.com/news/local-news/ecwa-significant-break-occurred-to-transmission-main-near-sturgeon-point-water-treatment-plant>) that occurred in the Town of Evans on February 25, 2021.
2. A copy of any records related to investigation of that same water main break and any causes identified. If not investigation has been done yet, I would like to know when one is schedule, who is conducting it and when results will be made available to the public.

I am an ECWA customer and live at the above noted address. Please contact me if you have any questions. Thank you very much for your time and attention.

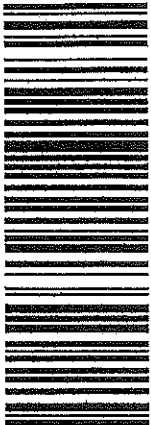

Very respectfully,

DANELLE BARRETT
