May 28, 2019

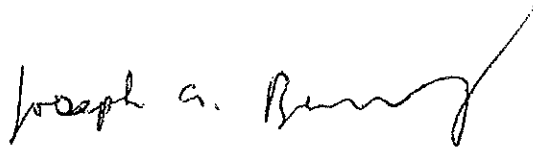

Dear Steve D'Amico

The purpose of this letter is to give two weeks notice of my resignation from The Erie County Water Authority. My final day will be on June 13, 2019.

It has been a pleasure to work at the Erie County Water Authority, however, another opportunity has presented itself that I accepted.

I thank you for the opportunity and professional experience that you and the Water Authority have provided me. I wish you and ECWA continued success in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Joseph A. Rzeslewicz". The signature is fluid and cursive, with a long, sweeping line extending from the end of the name.
