Claimant's Statement (please be specific):

ON 2/25/2021 Erie Co. Water Authority Experienced a large (48" main pipe) leak ON Lakeshore RD At Approx 10:45 AM Between Sturgeon Pt Rd and Woodchill Rd. When I Arrived at Home 6979 Lakeshore RD (Corner of Woodchill) at approx 12:00 (noon) For lunch, I could hear water running in the Basement of my Home. The water was coming from below my Hot water tank. Basement was partially flooded with water. I contacted a licensed plumber, he arrived at my Home and determined that the tank on my hot water tank had ruptured. He also stated that this situation was most definitely caused from the differential in water pressure surge and possible back flow suction caused by the water main leak situation. I purchased a new Hot Water Heater at Lowes for \$545.62 receipt (attached) and paid plumber 100.00 cash for the installation (no receipt). I Believe this situation was caused by the Erie Co water authority water leak and I Sincerely Hope that these costs could be reimbursed to me.

Thank You
DAVID P. CAMUS
