Good morning.

Allstate Insurance has retained our firm, Ethos Risk Services, to assist in obtaining any documentation regarding a water leak that occurred at the intersection of Brooklane Drive and Frankhauser Road on December 14, 2025.

The records are an important part of the claims process, as it allows the insurer to determine the facts and circumstances surrounding the loss.

Please contact me with any questions or concerns you may have. Thank you in advance for your time regarding this matter.
