Office of the Commissioners  
Erie County Water Authority  
295 Main St, Rm 350  
Buffalo, NY 14203

I am writing to inform you that I will be formally retiring, effective as of August, 18, 2022.

I have given considerable thought to this decision and feel this is the right time to retire. I am grateful and would like to thank all past and present commissioners for this opportunity that turned into a 32 year career. Time does fly and now that this journey has come to an end.

Best Regards and God Bless,
