

## Continuity of Water Supply

January 1, 2026

Dear Director of Emergency Operations/Water Supplier,

We have Chronic Dialysis patients located at the following address:

\* 152 Stevenson Blvd  
Buffalo, NY 14226

We are sending you this letter in order to maintain communication between our entities. US Renal Care is a dialysis clinic located at 3161 Eggert Rd., Tonawanda, NY 14150. Our patients are on dialysis, a life-sustaining treatment that is done in the patients home and relies on uninterrupted supply of water of consistent quality.

We are therefore asking your cooperation by providing our patient at the above address with information on the following:

- Prior notification if a change in water quality or treatment methodology is anticipated.
- Prior notification (when possible) of interruption in service or work which will alter the physical or chemical characteristics of the water.

Thank you in advance for your cooperation. Should you have any questions, please do not hesitate to contact me at: 716-832-0159

Sincerely,

A handwritten signature in black ink that reads "A Zuccari, RN".
