Under the provisions of the New York Freedom of Information Law, Article 6 of the Public Officers Law, I hereby request a copy of records or portions thereof pertaining to or containing the following:

- 
- Water Meter reading for Hilbert College Hamburg NY in the year 2022
- Results of water testing in Hamburg NY in the year 2022
- 2022 Annual Water Quality Report
- Any reports of anthropogenic material being found in ECWA's water sources

I wish to have records provided in electronic formats: Microsoft Word, Microsoft Excel, and PDF and the like would all be acceptable. If the documents are not in electronic form, I would be willing to accept paper copies.

I am happy to provide electronic media if that would be helpful. I am also willing to use ftp servers or other online resources that might be available if that would be convenient.

In case any of these requests are denied, I request that a reason for the denial be given in writing, and the non-exempt portions of those records be released with the omissions clearly explained.

If any portion of my request is denied, please also provide the name, address and telephone number of the person or body to whom an appeal should be directed. As a representative of the news media, I request a waiver of fees. If that request is not valid, per Â§87 of the FOI Law, please contact me.

I am willing to discuss and clarify, break up, or amend this request in certain ways to assist you with your work. Feel free to contact me via the email address or telephone numbers below.

As you know, the Freedom of Information Law requires that an agency respond to a request within five business days of receipt of a request. Therefore, I would appreciate a response as soon as possible and look forward to hearing from you shortly.

Thank you,

Miranda Johnson
