Within the public notice is the specific directions for receiving the Bid Documents. Please refer to the last paragraph on the first page on how to have the documents mailed to you. We are happy to provide the award results and bid tab from our last bid but that needs to be submitted as a FOIL request. Please email foil@ecwa.org. We process these quickly so you should have something within 5 business days.

Thank you.

Dear Mr. Seider,

I hope you're doing well.

We're reaching out regarding the upcoming solicitation for "Furnish and Deliver Potassium Permanganate" (Bid #202500072). We were only able to access the public notice and would like to kindly request the complete bid package, including all required forms and specifications.

Additionally, if available, we would appreciate receiving the award results or pricing information from last year's bid for reference.

Thank you for your assistance. We look forward to participating.
