Re: 268 Lakeview Ave., OP NY 14127 protest letter please due to water leakage

Received billing invoice 10/28/2022 for a bill due on November 5, 2023
FOIL request for full written copy of policy and procedure for protest

Hello,

This is my second letter. I did receive an email about the FOIL request, so I know the letter was received. I am awaiting a written reply to this letter.

There is a \$ 535.71 water bill, which is more than 5 times the previous bill. Water is leaking somewhere and at this point the leaking plumbing cannot be exactly determined but may be shower or a pipe buried somewhere is leaking. More work needs to be completed and this requires time please. This was not a wastage of misuse of water in anyway, nor was the water for sale. There has not been a request in the last 36 months.

At present, Dec. 8th, I have replaced the toilet flapper and ball float as the toilet did have a filling issue from time to time.

Please suspend this bill. A payment of \$ 113.91 will be made as this was the last quarter water bill amount.

Please consider this letter a "FOIL" request for a complete, full copy of the policy and procedure of the Protest laws. For the FOIL request, I wish to appeal your denial, I believe I meet all the applicable guidelines and have a valid reason to request the rules and regulations of this weak leak program.

Thank you. Please feel free to email me at mhudi@hotmail.com.
