Good morning,

I am working on a new drive through restaurant to be located at: 4010 Maple Rd, Amherst, NY 14226

We will be demolishing the existing building on site and completing ground up construction of the new building.

I wanted to submit a FOIL request for the existing water records for this site.

I am specifically looking for the location and sizes of all existing water mains and connections.

Thank you,

Hannah Batson
