Good afternoon!

I am submitting a FOIL request for information regarding the denial of my ECWA Claim Number 2026-060P. The property damage occurred at my residence at 228 Highland Ave in the City of Tonawanda.

I am disputing the denial and I am requesting the project number and name of the water company's project manager. I am also requesting the contractor's full legal name, insurance carrier and claims contact for the company. Additionally, I am requesting the portion of the contract dealing with property damage/indemnification including whether or not the contractor was required to carry liability insurance. I would also like the legal and/or contractual basis for denying responsibility for this claim.

I was advised by Molly Musarra to submit a FOIL request to obtain this information.

Thank you,
Sheila Scott
