Subject: Recommendations from the Independent Ethics Panel

---

The Independent Ethics Panel (the "IEP") held a meeting on February 14, 2023, to review the following items, and subsequently forward their recommendations, along with the draft minutes of that meeting, for review by the Governance Committee and the Board of Commissioners:

- (1) ECWA Financial Disclosure Form for Calendar Year 2022
- (2) Policy No. 11: Code of Ethics & Conflict of Interest Policy
- (3) Policy No. 16: Whistleblower Protection Policy
- (4) 2022 Vendor List
- (5) Employee letter sent via regular mail
- (6) Employee Email

### 2022 Financial Disclosure Form

After a thorough review and discussion, the IEP's only recommended changes were to update the form to reflect the year 2022.

### Policy No. 11 Code of Ethics & Conflict of Interest Policy

After a thorough review and discussion, the IEP did not recommend any changes to the Code of Ethics & Conflict of Interest Policy.

### Policy No. 16 Whistleblower Protection Policy

After a thorough review and discussion, the IEP did not recommend any changes to the Whistleblower Protection Policy.

### 2022 Vendor List

The Vendor List is sent to employees, and others required to file an in-house financial disclosure pursuant to Policy 11. All applicable filers will need to review the list to determine if they may have a potential conflict of interest that needs to be reported to the Authority. After review and discussion of the Vendor List, the IEP is recommending to continue the practices of only including vendors on the Vendors List receiving \$500 or more in the calendar year, removing all total dollar (\$) amounts paid to vendors and omitting employee garnishments.

### Employee Letter and Employee Email

The Authority notifies those required to file in-house financial disclosure statements in two ways, the first is via regular mail with a hard copy of all necessary documentation, and the second is via Email with links to all documentation necessary to complete the financial disclosure statement. After review and discussion, the IEP recommends minor changes to the Employee letter and Employee Email (as identified in red) by adding a sentence clarifying that retirees and/or any employee who worked in the applicable filing year are required to file if required to do so by Policy 11. Also, since the employee designated to accept the disclosure statements at the Service Center had retired, the proper designated in-person drop offs at both Ellicott Square and the Service Center were updated in the last paragraph.

Motion carried 3-0.

**IV. NEW BUSINESS**

**ITEM 1-** Review and Discuss ECWA Financial Disclosure Statement form for Calendar Year 2022.

Discussion was had amongst the Panel, and it was determined that the only changes to be recommended to the Board to the 2022 Financial Disclosure Statement is the changing of the dates on the form from 2021 to 2022 to coincide with the proper year of filing. The Panel noted that changes recommended in past years had been incorporated into the 2022 statement and they were satisfied with those changes as they appear on the statement of financial disclosure.

Motion by Ms. Penberthy and seconded by Mr. Herman to approve the financial disclosure statements with the updated changes to reflect the year of filing.  
Motion carried 3-0.

**ITEM 2-** Review and Discuss the Code of Ethics & Conflicts of Interest Policy.

The Panel reviewed and discussed Policy 11, the Code of Ethics & Conflicts of Interest Policy. Discussion included whether there were any new positions within the Authority that should be required to file a financial disclosure statement. The Panel determined that there were none, and no changes would be recommended to the Code of Ethics & Conflicts of Interest Policy.

Motion by Mr. Freeman and seconded by Mr. Herman to recommend no changes to the Code of Ethics & Conflicts of Interest Policy.  
Motion carried 3-0.

**ITEM 3-** Review and Discuss the Authority's Whistleblower Policy.

The Panel reviewed and discussed Policy 16, the Whistleblower Policy. After discussion, it was determined that no changes would be recommended to the Policy.

Motion carried 3-0.

**ITEM 4-** Review and Discuss the 2022 Vendor List

The 2022 Vendor List was reviewed and discussed amongst the Panel. Discussion included what vendors were included in the Vendor List. It was recognized that this list included vendors paid more than \$500 in the calendar year 2022. The total amounts of payments were excluded as recommended by the Panel and reviewed and approved by the Board in previous years. Also removed from the list was any employee garnishments or other employee payments.

Motion by Ms. Penberthy and seconded by Mr. Freeman to recommend approval of the 2022 Vendor List.  
Motion carried 3-0.

**ITEM 5-** Review and Discuss the Draft Employee Letter and Email to Employees.

The Panel reviewed and discussed the proposed employee letter and email sent out to notify employees of their obligation to file financial disclosure statements for 2022. There was a discussion on the failure of past or retired employees who worked during the filing year to complete the disclosure statement. It was determined that a sentence would be added to indicate that retirees and/or any employee who worked in the applicable filing year are required to file if their position was listed in and required to do so by Policy 11.

Motion by Ms. Penberthy and seconded by Mr. Freeman to recommend the draft employee letter and email to employees with the applicable changes.  
Motion carried 3-0.

**Post -meeting**, the Associate Attorney and Confidential Liaison, upon reviewing the letter and email noticed that the employee designated to accept the disclosure statements in person at the Service Center had retired. The wording of the applicable sentence was changed to reflect the proper designated in-person drop offs at both Ellicott Square and the Service Center.

**ITEM 6- Review of Three (3) New Financial Disclosure Statements.**

The financial disclosures were reviewed at the beginning of the meeting by Mr. Herman and Ms. Penberthy as Mr. Freeman arrived several minutes late to the meeting due to traffic issues. The three (3) financial disclosure statements were submitted by two (2) retirees and one (1) new employee and were approved.

Motion by Mr. Herman and seconded by Ms. Penberthy to approve the three (3) financial disclosure statements.  
Motion carried 2-0. With Mr. Freeman abstaining.

**ITEM 7- Recommendations to Authority's Board of Commissioners.**

The Panel discussed and agreed that the Board would receive recommendations in accordance with the above. The Associate Attorney would send the Board draft communications to the Chairperson of the Panel for his review prior to sending to Board.

The Authority expects its members, ad hoc members, officers, and employees to observe high ethical standards of conduct in the performance of their duties, and in compliance with all laws and regulations governing the Authority's operation. This Code of Ethics shall serve as a guide for official conduct and is intended to enhance the ethical and professional performance of the Authority's members, ad hoc members, officers, and employees and to preserve the public confidence in the Authority's mission.

### **Section 2 Policy.**

Members, ad hoc members, officers, and employees shall perform their duties with transparency and without favor and shall refrain from engaging in outside matters of personal financial interest or of personal interest, including other employment, which could impair their independence of judgment, or prevent the proper exercise of one's official duties.

- (c) Members, officers, and employees shall manage all matters within the scope of the Authority's mission independent of any other affiliations or employment. Members, including ad hoc members, officers, and employees shall strive to fulfill their professional responsibility to the Authority without bias and shall support the Authority's mission to the fullest.

#### **Section 4 Prohibited Conduct.**

- (a) The Authority's members, ad hoc members, officers, and employees shall not:
  - (1) Directly or indirectly receive any compensation or interest, financial or otherwise, or incur any obligation, which would be a substantial conflict with the proper discharge of their duties with the Authority;

- (b) Unless otherwise permitted by the IEP or the Ethics Committee, no immediate family member of a member, ad hoc member, officer, or employee may directly or indirectly solicit, accept, or receive any other items described in § 4(a)(4) of this Article.
- (c) Unless otherwise permitted by the IEP or the Ethics Committee, no member, ad hoc member, officer, employee nor an immediate family member of a member, ad hoc member, officer, or employee may engage in the following actions:
  - (1) Speculating or dealing in equipment, supplies, or materials normally purchased by the Authority;

- (d) The prohibited actions and activities set forth in this section do not encompass every situation that may lead to a conflict of interest.

## **ARTICLE III**

### **CONFLICTS OF INTEREST POLICY**

#### **Section 1 Purpose.**

- (a) The purpose of this Conflicts of Interest Policy is to protect the Authority's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a member, ad hoc member, officer, or employee of the Authority. This policy is intended to supplement, but not

replace, any applicable state laws governing conflicts of interest applicable to the Authority.

- (b) A conflict of interest is just one example of a violation of ethical conduct. This policy is intended to complement the Authority's Code of Ethics by providing specific procedures to deal with conflicts of interest. To the extent that a matter falls within the scope of both this policy and the Authority's Code of Ethics, the provisions of this Conflicts of Interest Policy shall govern.

## **Section 2 Prohibition against Conflicts.**

- (a) Section 1068 of the New York Public Authorities Law sets forth the following requirements with respect to conflicts of interest:

It shall be a misdemeanor for any of the members of the authority, or any officer, agent, servant, or employee thereof, employed or appointed by them to be in any way or manner interested directly or indirectly in the furnishing of work, materials, supplies or labor, or in any contract therefor which the authority is empowered by this act to make.

- (b) In the event the Authority discovers a violation of the above provision, the Authority shall investigate and, if warranted, report the offense to the Inspector General of the State of New York.
- (c) This Conflicts of Interest Policy provides additional guidance regarding actual or potential conflicts of interest, including circumstances not within the scope of Public Authorities Law § 1068.

## **Section 3 Personal Financial Interest.**

- (a) A person has a personal financial interest if the person has, directly or indirectly, through business, investment, or family:

- (1) an ownership or investment interest in, or employment with, any entity with which the Authority has a transaction or business arrangement; or
  - (2) a compensation arrangement with any entity or individual with which the Authority has a transaction or arrangement; or
  - (3) a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Authority is negotiating a transaction or arrangement.
- (b) Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.
- (c) A personal financial interest is not necessarily a conflict of interest. No conflict of interest exists where a personal financial interest arises solely from an immediate family member that holds a clerical, ministerial or low-level management position with an existing or potential vendor, lacks the power to influence the relationship between the business and the Authority and did not obtain his or her position as a means to influence a member, ad hoc member, officer, or employee of the Authority.
- (d) A person who has a personal financial interest may have a conflict of interest only if the Board determines that a conflict of interest exists pursuant to the enforcement and hearing procedures set forth in Article V, § 2 of this Code.

#### **Section 4 Duty to Report.**

- (a) A member, ad hoc member, officer, or employee must immediately report to the Authority's General Counsel or to the IEP Chair gifts of any value, whether in the form of a promise or an offer to give money, services, a loan, or to provide lodgings, meals, or entertainment.
- (b) An interested person must disclose the existence of his or her personal financial interest and all material facts surrounding

the Financial Interest to the Authority's General Counsel and to the IEP.

- (c) If the Authority's General Counsel or the IEP have reasonable cause to believe an interested person has failed to disclose an actual or possible conflict of interest, they shall inform the interested person of the basis for such belief and afford him/her an opportunity to explain the alleged failure to disclose.
- (d) After disclosure of the personal financial interest, the General Counsel and the IEP will interview the interested person and conduct whatever investigation is warranted by the disclosure.
- (e) After exercising due diligence, the IEP will report its findings and recommendation to the Ethics Committee. The Ethics Committee will review such findings and recommendations. If the Ethics Committee determines further action should be taken, it will forward the matter to the Board.

## **Section 5 Standard of Review.**

- (a) After exercising due diligence, if the Ethics Committee determines the Authority can obtain an equal or more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest, then it will forward the matter to the Board with its recommendation.
- (b) If the Ethics Committee determines an equal or more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, then it will forward the matter for the Board to determine whether the transaction or arrangement should proceed or be terminated. A Board ruling to proceed shall include a determination that the transaction or arrangement is in the Authority's best interest, is done for its own benefit and is fair and reasonable to the Authority.

## **ARTICLE IV**

### **EMPLOYMENT RESTRICTIONS**

#### **Section 1 One-Year Moratorium.**

- (a) No person who has served as a member, officer or employee of the Authority shall within a period of one year after the termination of such service or employment appear or practice before the Authority or receive compensation for any services rendered by the member, officer or employee through or on behalf of any person, firm, corporation or association in relation to any case or transaction with respect to which such person was directly concerned, or participated in, during the period of his or her service with the Authority.
- (b) Notwithstanding the foregoing, the one-year moratorium shall not apply to (i) normal business issues arising because of the person's status as a water customer of the Authority and (ii) professional services provided by such person pursuant to a written agreement with the Authority, to the extent such agreement is otherwise consistent with this Code of Ethics.

  - (2) The immediate family member is an appointment from a Civil Service List; or
  - (3) There will be no supervisory relationship between the immediate family member and the related ad hoc

- (c) If current members, ad hoc members, officers, or employees marry, it may be necessary for the Authority to reassign one or both individuals, particularly in the case of close working, or direct supervisory relationships.
- (d) An immediate family member may be considered for summer or temporary employment only if all the following conditions are met:

**ERIE COUNTY WATER AUTHORITY**  
**HR Policies/Procedures**

**Re: WHISTLEBLOWER PROTECTION  
POLICY & PROCEDURES**

**Policy No.: 16**

**Application: All Employees**

## **PURPOSE**

The Erie County Water Authority requires members, ad hoc members, officers, and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the Authority, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

As part of our ethical responsibility, any alleged corruption, fraud, criminal or unethical activity, misconduct, waste, conflict of interest, intentional reporting of false or misleading information, or abuse of authority engaged in by an Authority Employee (as defined herein) that relates to the Authority shall be reported to the appropriate individuals as set forth herein.<sup>1</sup>

## **POLICY**

### **Section 1 Reporting Responsibility.**

It is the responsibility of all members, ad hoc members, officers, and employees to comply with Policy No. 11 Code of Ethics & Conflict of Interest Policy and to report violations or suspected violations in accordance with this Whistleblower Protection Policy.

### **Section 2 No Retaliation.**

No member, ad hoc member, officer, or employee who in good faith reports a violation of Policy No. 11 Code of Ethics & Conflict of Interest Policy shall suffer harassment, retaliation, or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Protection Policy is intended to encourage and enable employees and others to raise serious concerns within the Authority prior to seeking resolution outside the Authority.

---

<sup>1</sup> This Whistle Blower Protection Policy & Procedures restates and replaces H.R. Policy No. 16.0 (Whistleblower Protection Policy).

### **Section 3 Reporting Violations.**

All Authority Employees who discover or have knowledge of potential wrongdoing concerning board members, ad hoc members, officers, or employees of this Authority; or a person having business dealings with the Authority; or concerning the Authority itself, shall report such activity in accordance with the following procedures:

- (a) The Authority Employee shall disclose any information concerning wrongdoing either orally or in a written report to his or her supervisor, or to the Authority's General Counsel, the Director of Human Resources, or any member of the Independent Ethics Panel.
- (b) All Authority Employees who discover or have knowledge of wrongdoing shall report such wrongdoing in a prompt and timely manner.
- (c) The identity of the whistleblower and the substance of his or her allegations will be kept confidential to the best extent possible.
- (d) Any report of potential wrongdoing shall be investigated and handled in a timely and reasonable manner, which may include referring such information to the Authorities Budget Office or an appropriate law enforcement agency where applicable.
- (e) Should an Authority Employee believe in good faith that disclosing information within the Authority pursuant to Section 3(a) above would subject him or her to adverse personnel action or be ineffective, the Authority Employee may instead disclose the information to the Authorities Budget Office or an appropriate law enforcement agency, if applicable. The Authorities Budget Office's toll-free number (1-800-560-1770) should be used in such circumstances.

### **Section 4 Compliance Officials.**

The Office of the Secretary and the Independent Ethics Panel with assistance from the Authority's Legal Department are responsible for investigating and resolving all reported complaints and allegations concerning violations of Policy No. 11 Code of Ethics & Conflict of Interest Policy and will report, on a confidential basis, all allegations to the Board of Commissioners (the "Board"). The Board has the authority to provide funds for investigations as required.

## **Section 5 Acting in Good Faith.**

Information concerning potential wrongdoing is disclosed in “good faith” when the individual making the disclosure reasonably believes such information to be true and reasonably believes that it constitutes potential wrongdoing.

## **Section 6 Confidentiality.**

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

## **Section 7 Handling of Reported Violations.**

The Authority’s General Counsel, the Director of Human Resources, a supervisor, or any member of the Independent Ethics Panel to whom notice of the reported violation or suspected violation was given will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated, and appropriate corrective action will be taken if warranted by the investigation.

## **Section 8 Employees.**

All board members, and officers and staff employed at the Authority whether full-time, part-time, employed pursuant to contract, employees on probation and temporary employees and former employees shall be considered employees for the purposes of applicability of this policy.
