Re: Financial Advisory Services – Contract Renewal

Dear Joyce:

On behalf of Capital Markets Advisors, LLC, (“CMA”), we would be delighted to continue to provide financial advisory services to the Erie County Water Authority pursuant to terms of the existing contract which allows for two (2) additional one-year extensions beginning July 31, 2025. CMA has served as the Financial Advisor to the Authority since May 2016, and during that time we have become very familiar with the credit profile, debt issuance practices, and personnel. We hope that the Authority will agree that CMA has brought added value to the Authority while delivering services in an extremely attentive and professional manner.

CMA is an independent municipal advisory firm, registered by the Securities and Exchange Commission (“SEC”) and Municipal Securities Rulemaking Board (“MSRB”), serving the needs of local governments, school districts and public authorities throughout New York State (the “State”) from our offices in Orchard Park and on Long Island. Having served a client base of over 180 school districts and 250 municipalities and public authorities including the big four cities of Buffalo, Rochester and Yonkers, CMA personnel are particularly well suited to deliver all of the financial advisory services required by the Authority.

During the past ten years the Authority has been, and continues to be one of our most important clients. We wish to continue this relationship over the next several years by providing you and your team with sound financial advice as it relates to strategic financial planning and debt management. Please find attached herein our fee schedule which is the same as our original contract from May 2016.

Sincerely,
Capital Markets Advisors, LLC

Required Regulatory Disclosure

Municipal Securities Rulemaking Board (“MSRB”) Rule G-10 requires that municipal advisors, including CMA, provide to their clients the following information once each calendar year: (i) CMA is registered as an independent municipal advisor with the MSRB and the US Securities and Exchange Commission (“SEC”); (ii) CMA is subject to the regulations and rules on municipal advisory activities established by the SEC and MSRB; (iii) the website for the MSRB is www.msrb.org and the website for the SEC is www.sec.gov; and (iv) in addition to having educational materials about the municipal securities market, the MSRB website has a municipal advisory client brochure that describes the protections that may be provided by the MSRB rules and how to file a complaint with the appropriate regulatory authority.

MSRB Rule G-42 Disclosure Duties of Non-Solicitor Municipal Advisors

Municipal Securities Rulemaking Board (“MSRB”) Rule G-10 requires that municipal advisors, including CMA, provide to their clients the following information once each calendar year: (i) CMA is registered as an independent municipal advisor with the MSRB and the US Securities and Exchange Commission (“SEC”); (ii) CMA is subject to the regulations and rules on municipal advisory activities established by the SEC and MSRB; (iii) the website for the MSRB is www.msrb.org and the website for the SEC is www.sec.gov; and (iv) in addition to having educational materials about the municipal securities market, the MSRB website has a municipal advisory client brochure that describes the protections that may be provided by the MSRB rules and how to file a complaint with the appropriate regulatory authority.

MSRB Rule G-42 Disclosure Duties of Non-Solicitor Municipal Advisors

Conflicts of Interest Disclosure

CMA is an MSRB Registered Municipal Advisor that conducts all municipal advisory activities subject to the fiduciary standards of conduct. MSRB Rule G-42 requires that municipal advisors disclose to their clients any actual or potential material conflict of interest, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable. If no such material conflicts of interest are known to exist, municipal advisors are required to provide a written statement to that effect.

To the best of CMA's knowledge and belief, neither CMA nor any associated person has any material, undisclosed conflict of interest.

- CMA has no financial interest in, nor does CMA receive any undisclosed compensation from, any firm or person that CMA may use in providing any advice, service, or product to or on behalf of any CMA client.
- CMA does not pay contracted MSRB registered solicitors or other MSRB registered municipal advisors directly or indirectly in order to obtain or retain an engagement to perform municipal advisory services for any municipal entity.
- CMA does not receive any payments from a third party to enlist CMA's recommendation of services, municipal securities transactions, or any municipal financial product or service.
- CMA does not have any fee-splitting arrangements with any provider of investments or services to any municipal entity.
- A municipal advisor, including CMA, that is compensated via a contingency fee agreement, has a material conflict of interest arising from compensation for municipal advisory activities performed that are contingent on the size or closing of such transaction for which it is providing advice. Contingency fee agreements are not uncommon or illegal, but the inherent, material conflict of interest that results from such an agreement must be disclosed to the client according to Rule G-42.
- CMA services a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interests of other municipal clients. These other clients may, from time to time and depending on specific circumstances, have competing interests, such as accessing the market with the most advantageous timing. In acting in the interests of its various clients, CMA could potentially face a conflict of interest arising from these competing client interests. However, none of these other engagements or relationships would impair CMA's ability to fulfill its regulatory duties to its municipal clients.
- There are no other actual conflicts of interest that could reasonably be anticipated to impair CMA's ability to provide advice to any municipal entity in accordance with the standard of fiduciary conduct.

Information Regarding Legal Events and Disciplinary History Disclosure

MSRB Rule G-42 requires that municipal advisors provide to their clients certain disclosures of legal or disciplinary events material to the client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

- CMA's Form MA and Form MA-Is for each of the Firm's Associated Persons are posted in the Edgar Database located on the U.S. Securities and Exchange Commission's website (www.sec.gov).

Future Supplemental Disclosures

As required by MSRB Rule G-42, these disclosures may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest or changes in the conflicts of interest described, or to provide information with regard to any legal or disciplinary events. CMA will provide its municipal clients with any supplement or amendment as it becomes available throughout the terms of each agreement or contract.
