

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

September 30, 2026

TO: Jennifer Hibit, Secretary to the Authority

FROM: John M. Catanzaro, Senior Director of Operations and Infrastructure *JmC*

SUBJECT: Board Authorization for Hydrant/Valve Replacements

Please be advised that Authority personnel have recently replaced various hydrants and valves that were obsolete, defective or unrepairable. These hydrants and valves are located within the Direct Service areas of the Erie County Water Authority Service Area.

Since the hydrants and valves are assets of the Authority, the old hydrant or valve must be removed from our inventory. This is referred to as "retired". The new hydrant or valve then replaces the retired asset. The make, size, model and cost of the new hydrant or valve is then included as a current asset.

The action to retire an old hydrant or valve and to replace it with a new hydrant or valve requires authorization from the Board. As such please find the following:

- Blue Authorization form for Board Resolution for hydrant and valve replacements.
- Construction Authorization forms for the subject hydrant or valve that was replaced; along with a pink "Property Removed from Service" form for each hydrant and valve. These two documents identify all the pertinent data including the cost of the new asset.

Please advise if you require additional information.

ERIE COUNTY WATER AUTHORITY AUTHORIZATION FORM
For Approval/Execution of Board Meeting Documents

Requestor/Project Mgr.: John Catanzaro **Project No.:** _____

Document Name/Description: _____

Item Description: **Choose one:** Ratification of Hydrants

Other: _____

Action Requested: **Choose one:** Board Approval

Other: _____

If Applicable, the MPO Amendment Form has been submitted to Central Purchasing.

APPROVED AS TO CONTENT:
