

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

March 15, 2019

To: Terrence D. McCracken, Secretary to the Authority

From: Leonard F. Kowalski, Senior Distribution Engineer

Subject: Contract CH-012
Water System Improvements
Town of Cheektowaga
ECWA Project No. 201900074

The following material is attached:

- Blue Authorization Form for Risk Manager and Legal Department approval. The Blue Authorization Form is requesting Board Authorization to execute the attached Professional Service Contract.
- Professional Service Contract for the above referenced project (2 copies) for execution by Chairman.
- Copy of Interoffice Memorandum from Russell J. Stoll, Executive Engineer, dated February 27, 2019, detailing recommendations for individual contract assignments after review of Request for Proposals for Waterline Replacement Projects 2019-2020.

Contract CH-012 will consist of the design and construction of approximately 6,700 linear feet of new distribution waterline on Cayuga Creek Road from opposite 177 Cayuga Creek Road to the southeast corner of the William Street/Cayuga Creek Road intersection in the Town of Cheektowaga. An existing 24-inch waterline will remain in service, but an existing 6-inch will be abandoned in place. The size and type of the new waterline will be determined as a part of the design project but will be a minimum 12-inch diameter. A creek crossing is expected on Cayuga Creek Road just south of the William Street intersection (by bridge suspension, boring, pipe bursting or horizontal directional drilling).
