

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

August 6, 2026

To: Jennifer Hibit, Secretary to the Authority

From: Michael J. Quinn, Director of Distribution 

Subject: Revocable Permit – State University at Buffalo
Ball Pumping Station Improvements
ECWA Project No. 202000177

Under Contract MP-086, the Erie County Water Authority (ECWA) is completing improvements to the Ball Pumping Station. Due to the size of the existing ECWA owned property as it relates to the existing facility, proposed infrastructure replacements and associated site improvements, additional property will be needed temporarily for a second construction staging area and to allow for installation of a new section of transmission main between the pumping station and the existing transmission main in part supplying the University at Buffalo campus. There is currently an existing revocable permit for work on other areas of the site.

Since the property is owned by the State of New York, the ECWA must execute a Revocable Permit for Non-Commercial Use of University Facilities. This Permit was developed by the State of New York and reviewed by both the Engineering and Legal Departments and meets the needs of the ECWA in terms of the Ball Pumping Station Improvements Project.

Attached is a copy of the new Revocable Permit for review and approval. Following approval by the Board, this Permit must first be executed by the Chairman and executed copies be returned to the State of New York. There is no fee associated with this Permit.

Please feel free to contact me if you have any questions.

WHEREAS, SUNY Buffalo is willing to allow the Permittee to install the watermains and associated appurtenances subject to the terms and conditions herein; and

WHEREAS, the parties desire to enter into an agreement whereby SUNY Buffalo will make such facilities available to the Permittee for construction activities

NOW, THEREFORE, in consideration of the mutual covenants and conditions herein set forth the parties hereto agree as follows:

1. A Revocable Permit (“Permit”) is hereby granted to the Permittee, subject to the terms and conditions as hereinafter provided, to use the facilities and services described in **Exhibit B** and **Exhibit B-1**, attached hereto and made a part hereof, on the date(s) and at the times specified thereon (“Premises”).
2. Subject to receiving approval from the State University of New York, the term of this Permit shall commence on September 1, 2026 through December 31, 2027 with an option to renew for one additional year, at the pleasure of SUNY Buffalo and may be revoked at any time without cause. In the event of such revocation, payments by the Permittee shall continue throughout the period of actual occupancy by the Permittee, after which time the Permittee shall have no further payment obligation. Upon revocation, Permittee shall promptly discontinue the use of the Premises.
3. In consideration of the facilities to be provided by SUNY Buffalo as enumerated above, the Permittee agrees to (i) fully cooperate with SUNY Buffalo to obtain a permanent easement for the water lines referenced in the first whereas clause, above, through the New York State Office of General Services (“OGS”) and in accordance with applicable New York State law and SUNY policy; (ii) reimburse SUNY any extraordinary costs incurred by SUNY Buffalo to meet the requirements of the Permittee; and (iii) pay for all costs and expenses arising in connection with the activities set forth in this Permit, including but not limited to the costs associated with the activities set forth in Section 16 below. Where applicable, payment shall be made by Permittee upon receipt of an invoice from SUNY Buffalo; All space payments for reimbursement shall be mailed directly to: Kevin Ragland, Financial Services 418 Crofts Hall, Buffalo, New York 14260-7011. 4. The Permittee shall take good care of the Premises, fixtures, and appurtenances to preserve the Premises in good order and condition. Upon revocation of this Permit, the Permittee shall, at its sole cost and

expense, restore the Premises as nearly as possible to the condition in which these premises were in when the use by the Permittee began, other than ordinary wear and tear to the Premises.

5. The Permittee is a local public water authority, created by special enabling legislation by the State of New York, codified as Article 5, Title 3 of the Public Authorities Law.
6. The Permittee shall be responsible for any and all damages or loss by theft or otherwise of property whether such property shall belong to SUNY Buffalo or to others. Permittee shall be responsible for injury to persons (including death) which may in any way result from the operation or conducting of the Permittee's business, Permittee's use of the Premises, including facilities, appurtenances and surrounding grounds, or that may be caused by Permittee's agents, or any persons involved in the Permittee's business, whether or not directly caused by the Permittee.
7. The Permittee shall be responsible for and shall maintain good discipline and proper behavior on the part of all persons in any way involved with the Permittee's business or Permittee's use of the facilities, and agrees to remove any personnel whose actions, or failure to act, shall in the sole judgment of SUNY Buffalo, after consulting with the Permittee, be deemed to be detrimental to SUNY Buffalo.
8. The Parties agree that if in the judgment of SUNY Buffalo the activities of Permittee, or its agents, should be such that SUNY Buffalo, after consultation with the Permittee, shall determine that the continuation of the Permittee's activities for the then remaining period covered by this Permit shall be contrary to the best interest of SUNY Buffalo, SUNY Buffalo may terminate this Permit without liability of any kind whatsoever therefor, and the Permittee and its agents shall be thereupon removed from SUNY Buffalo Premises.
9. This Permit shall be interpreted according to the laws of the State of New York. The Permittee shall comply with established State University of New York and SUNY Buffalo regulations and policies and with all laws, rules, orders, regulations, and requirements of Federal, State and municipal governments applicable thereto, including the SUNY Standard Contract Clauses, attached hereto, incorporated and made a part hereof as **Exhibit A**. If necessary, Permittee shall obtain and keep in force at its sole cost and expense, any permits or licenses that may be required by any local, State or Federal Governmental body.
10. The Permittee agrees that the issuance of this Permit shall in no way diminish the statutory authority of the State University of New York or SUNY Buffalo to possession, pursuant to the Education Law, of the State controlled property to which this Permit relates; nor shall the dominion and control by the State University of New York over the said State property be in any way diminished.
11. The Permittee specifically agrees that this Permit does not create the relationship of landlord and tenant between SUNY Buffalo and the Permittee regarding the use of the State controlled property to which this Permit relates. The relationship of the Permittee to State University of New York and the State of New York arising out of this Permit shall be that of licensee.
12. The Permittee specifically agrees that this Permit shall be void and of no further force and effect upon any use of the State-controlled property to which this Permit relates which is inconsistent with State Law or which in any way conflicts with the purposes or objectives of SUNY Buffalo.
13. The Permittee shall have the right, so long as this Permit shall remain in force, to enter upon said State lands for the purpose of maintaining, operating and using the Premises described in **Exhibit B**.
14. The Permittee specifically agrees not to hold itself out as representing the State of New York or State University of New York in connection with the use of the State-owned property to which this Permit relates, nor shall the name of the State of New York, the State University of New York, or the State

University of New York at Buffalo be used by Permittee for any purpose without prior approval of the SUNY Buffalo.

15. The Permittee assumes all risk incidental to the use of the Premises and shall be solely responsible for any and all accidents and injuries to persons and property (including death) arising out of or in connection with the Permittee's use of the Premises, including facilities, its appurtenances and the surrounding grounds and hereby covenants and agrees to indemnify and hold harmless the State of New York and the State University of New York from any and all claims, suits, actions, damages and costs of every nature and description arising out of or relating to the use of the Premises, any facilities, appurtenances and the surrounding grounds or the violation by said Permittee, its agents, employees or contractors of any law, code, order, ordinance, rule, or regulation in connection therewith. The Permittee further agrees, upon being requested to do so, to assume the defense and to defend, at its own cost and expense, any action brought at any time against the State of New York and/or the State University of New York in connection with the claims, suits, and losses, as aforesaid. Notwithstanding the foregoing, Permittee shall not be liable for any consequential, indirect, or special damages of any kind that may result directly or indirectly from its use of said facilities, including, without limitation, damages resulting from loss of use or loss of profit by SUNY or others.
16. This Revocable Permit is subject to the following conditions and restrictions:
 - a. All work will be confined within the permit limits shown in Exhibit B.
 - b. The water mains and appurtenances shall be constructed strictly in accordance with the plans approved by SUNY Buffalo. The design shall include a maintenance and protection of traffic plan (MPT) that complies with the Manual of Uniform Traffic Control Devices (MUTCD) and New York State Department of Transportation (NYSDOT) requirements.
 - c. The work within Service Center Road is of particular importance to SUNY Buffalo. It shall be completed as soon as practicable, but it shall be finished, including the road reconstruction no later than November 15, 2026. There shall be no further intrusions into Service Center Road except normal traffic into and out of the Ball Station driveway after that date.
 - d. One lane of traffic on Service Center Road shall be maintained throughout construction. SUNY Buffalo may, at their discretion, allow short interruptions to traffic if ECWA provides a justification of why the interruptions are needed for construction.
 - e. To accommodate ECWA's work SUNY Buffalo will be removing the reconstruction work planned for Service Center Road from their existing road reconstruction contract. ECWA will include this road reconstruction in their project. The extent of reconstruction shall include both any road impacted by the water line work and SUNY Buffalo's cancelled reconstruction project and shall be done in compliance with the design and specifications prepared by the University's consultant.
 - f. ECWA shall be allowed to use the area shown in Exhibit B north of Service Center Road, west of the Ball Station and east of the top-of-bank of Bizer Creek for construction staging. The area shall be enclosed with temporary construction fencing.
 - g. Upon completion of the installation of the new water facilities, the Permittee shall restore the premises as nearly as possible to the condition of said premises at the time such work was started.

- h. The Permittee has been appraised and knows there are existing underground and above ground utilities and facilities within or adjacent to the proposed easement area. In constructing the water mains and appurtenances the Permittee shall not interfere with or disturb any such utility or facility.
 - i. Roads within the Campus shall be always kept clear of debris.
 - j. Appropriate measures will be taken to keep silt and soil contained within the areas of construction
 - k. ECWA will prepare the legal description and boundary drawing for an easement that encompasses the new facilities. The extent of the easement shall be at the sole discretion of the University.
17. The Permittee agrees to obtain and maintain insurance coverage through the term of this Permit as provided in this paragraph and shall deliver Certificates of Insurance for the stated coverage upon execution of this Permit. The policies of insurance set forth below shall be written by companies authorized by the New York Department of Financial Services to issue insurance in the state of New York (“admitted” carriers) with an A.M. Best Company rating of “A-” or better. Permittee agrees to provide notice to SUNY Buffalo at least thirty (30) days prior to any material change, cancellation, expiration, renewal of or placement of a successor policy, and shall indemnify SUNY Buffalo for any and all claims, suits, actions, damages and costs of every nature and description arising out of or relating to Permittee’s failure to provide such advance notice. If subcontractors are used and will be coming onto space, they also need to provide liability insurance as well.
- a. General Liability insurance of one million dollars (\$1,000,000) for each occurrence and two million dollars (\$2,000,000) in the aggregate. Such policy shall name the State of New York and the State University of New York as an additional insured and shall contain a provision that the State University of New York shall receive at least thirty (30) days written notice prior to material change, cancellation or expiration of such policy.
 - b. New York State Workers’ Compensation, Disability Benefits and Paid Family Leave coverage during the term of the Permit for the benefit of Permittee’s employees required to be covered under the NYS Workers’ Compensation Law and the NYS Disability Benefits and Paid Family Leave Laws. Evidence of coverage must be provided on forms specified by the Commissioner of the Workers Compensation Board.
18. The Permittee specifically agrees that if this Permit is cancelled or terminated for any reason, the Permittee shall have no claim against SUNY Buffalo, its officers, and employees, nor any claim against the State of New York, its officers and employees, and both the State University of New York and the State of New York and their officers and employees shall be relieved from any and all liability.
19. Executive Order No. 177. In accordance with Executive Order No. 177, Permittee hereby certifies that it does not have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected status under the Human Rights Law.
20. Permittee Responsibility. (a) *General Responsibility*. The Permittee shall at all times during the term of this Permit remain responsible. The Permittee agrees, if requested by the SUNY Chancellor or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity. (b) *Suspension of Work for Non-Responsibility*. The SUNY Chancellor, in his or her sole discretion, reserves the right to suspend any or all activities under this Permit at any time when he or she discovers information that calls into

question the responsibility of the Permittee. In the event of such suspension, the Permittee will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Permittee must comply with the terms of the suspension order. Activity under this Permit may resume at such time as the SUNY Chancellor or his or her designee issues a written notice authorizing a resumption of performance under the Permit. (c) *Termination for Non-Responsibility*. Upon written notice to the Permittee and a reasonable opportunity to be heard with appropriate SUNY officials or staff, this Permit may be terminated by the SUNY Chancellor or his or her designee at the Permittee's expense, where the Permittee is determined by the SUNY Chancellor or his or her designee to be non-responsible. In such event, the SUNY Chancellor or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

March 16, 2020

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State or State University of New York, whether a Contractor, licensor, licensee, lessor, lessee or any other party; the State University of New York shall hereinafter be referred to as "SUNY"):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. PROHIBITION AGAINST ASSIGNMENT. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of SUNY and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. SUNY retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with SUNY. The Contractor may, however, assign its right to receive payments without SUNY's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law and Section 355 of the Education Law, if this contract exceeds \$250,000, or, if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State, and the State shall bear no liability, until it has been approved by the State Comptroller and filed in his or her office, or the pertinent pre-audit review period has elapsed. However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the

Labor Law shall be a condition precedent to payment by the State of any State- approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of competitive bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to SUNY a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 *et seq.*) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by SUNY, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as SUNY and any other agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. SUNY shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate SUNY official, in writing, that said Records should not be disclosed; and (ii) said Records shall be sufficiently identified; and (iii) designation of said Records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, SUNY's or the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to SUNY by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to SUNY or the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The

information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of SUNY contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women its workforce on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at SUNY's request, Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or sub-contractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. SUNY shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, SUNY shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. **CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Exhibit A, the terms of this Exhibit A shall control.

14. **GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or

Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. **PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of State Finance Law §165 (Use of Tropical Hardwoods), which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in Section 165 of the State Finance Law. Any such use must meet with the approval of the State, otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to SUNY;

(b) The Contractor has complied with the Federal Equal Employment Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. **RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services

they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act of 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa; State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal or similar services, then in accordance with Section 163(4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to SUNY, the Department of Civil Service and the State Comptroller.

24. PURCHASES OF APPAREL AND SPORTS EQUIPMENT. In accordance with State Finance Law Section 165(7), SUNY may determine that a bidder on a contract for the purchase of apparel or sports equipment is not a responsible bidder as defined in State Finance Law Section 163 based on (a) the labor standards applicable to the manufacture of the apparel or sports equipment, including employee compensation, working conditions, employee rights to form unions and the use of child labor; or (b) bidder's failure to provide information sufficient for SUNY to determine the labor conditions applicable to the manufacture of the apparel or sports equipment.

25. PROCUREMENT LOBBYING. To the extent this contract is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this contract the Contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the contract by providing written notification to the Contractor in accordance with the terms of the contract.

26. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this contract is a contract as defined by Tax Law § 5-a, if the Contractor fails to make the certification required by Tax Law

§ 5-a or if during the term of the contract, the Department of Taxation and Finance or SUNY discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the contract, if SUNY determines that such action is in the best interests of the State.

27. IRAN DIVESTMENT ACT. By entering into this contract, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:

<https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this contract, it must provide the same certification at the time the contract is renewed or extended. Contractor also agrees that any proposed Assignee of this contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the contract, should SUNY receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, SUNY will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then SUNY shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

SUNY reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

28. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

Equity, Diversity and Inclusion

Responsible Executive:

Vice President for Finance and Administration

Policy Statement

The University at Buffalo (UB, university) is committed to protecting the safety and well-being of children who are on university premises, and/or who participate in university-related programs and activities, both on and off campus, including but not limited to:

- Day care
- Sport camps

The participation of children in these activities requires an increased level of care, and an expectation that individuals will conduct themselves appropriately in the presence of children on campus and/or in university-related programs and activities.

Individuals must report instances of inappropriate conduct to the Responsible UB Official under which the activity occurred. Persons who witness, receive a report of, or reasonably believe an instance of child abuse has occurred must immediately report such abuse to University Police and the Office of Equity, Diversity and Inclusion (EDI).

Individuals may report inappropriate conduct or child abuse anonymously. While due process considerations may limit the ability to investigate anonymous reports, the university will take appropriate action to ensure the safety of children in response to an anonymous report.

Retaliation

Retaliatory action against anyone acting in good faith who has reported inappropriate conduct/child abuse in accordance with this policy, or who has been involved in reporting, investigating, or responding to inappropriate conduct or child abuse, is a violation of this policy. Senior university administrators (president, provost, vice presidents, vice provosts, deans, and athletic director) will designate one or more Responsible UB Official(s) for any Covered Activities within that person's unit or area. 2. "Bodily injury" or "property damage" occurring after:
